Clever is accessible from home on computers, tablets, and other mobile devices with access to the internet. You will need an up-to-date browser (ie. Edge, Chrome, Safari) to open the clever portal. Once logged in, the student will be able to access all the applications they use during school.

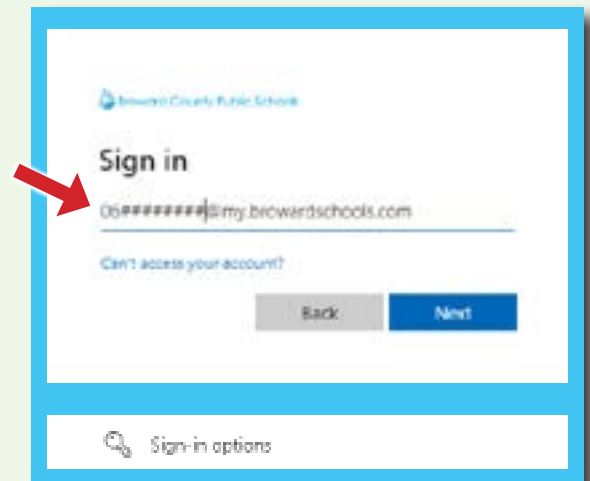

*** Clever is for student use. Please do not request a password change without the student's knowledge.**

1 Open a web browser and go to <http://sso.browardschools.com>

2 On the Clever login page, click on **Log in with Active Directory**.

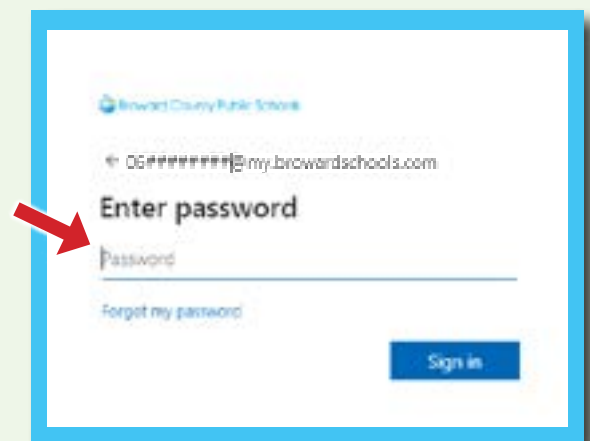

3 Enter the student username.
This 10 digit 06 student number followed
by @my.browardschools.com.
06#####@my.browardschools.com

4 Enter the student password.

Note: Please do not ask the school's administration or IT department to change passwords. The passwords are managed by the teacher to ensure students can access their class material in class. If you need the student's password, please ask them or reach out to their teacher.

The Focus Parent Portal is your gateway to staying connected with your student's educational journey in Broward County Public Schools. For the first time, parents/guardians with multiple students will be able to access all their students in one place. The portal will allow you to monitor your student's academic progress, stay informed of upcoming school and district events, and allow you to communicate directly with your student's teachers.
