LEADERSHIP ROOTED IN MISSION

Dear Friends,

This past year at Cristo Rey Kansas City has been a remarkable reminder of what is possible when a community unites around a mission. Every day, our students prove that talent and determination, when paired with opportunity, can open doors to brighter futures. Through the Corporate Work Study Program, rigorous academics, and a strong foundation of faith, our young people are building confidence, resilience, and skills that will serve them for life.

We are deeply grateful for the unwavering support of our families, faculty, donors, and corporate partners who make this work possible. Because of you, students who might otherwise be overlooked are instead thriving, earning valuable workplace experience, excelling in the classroom, and preparing to be the first in their families to graduate from college. Together, we are not just educating students; we are lifting up future leaders for Kansas City and beyond.

As we look ahead, our mission remains clear: to continue transforming lives through education, opportunity, and faith. With your partnership, Cristo Rey Kansas City will keep building a legacy of hope and impact that strengthens our students, our city, and generations to come.

With gratitude,

Claudia Meyer

"I will be able to pursue a higher education without the financial burden and follow not just my dreams but the dreams of all those who came before me."

"Thanks to this scholarship, I will be able to become one of the first in my family to attend college. I will be held responsible, as this scholarship will require me to maintain a good GPA. Not only will I be held responsible, but I will also be motivated to study, as this scholarship will aid me in the financial aspect of college. I will be allowed to have the privilege to focus mainly on my studies without having to work extra jobs in order to pay for college. That being said, I will be able to pursue a higher education without the financial burden and follow not just my dreams but the dreams of all those who came before me."

CELEBRATING FUNDRAISING SUCCESS

DANCING WITH THE KC STARS

Cristo Rey Kansas City's signature fundraiser, Dancing with the Kansas City Stars, brings together eight passionate and well-known individuals from across Kansas City who step onto the dance floor for a cause. Each star dedicates their time, talent, and network to not only learn a choreographed performance, but also to raise vital funds that support Cristo Rey's mission. The event is a joyful celebration of community, generosity, and the belief that when leaders come together for our students, the impact lasts a lifetime. We are forever indebted to our stars and their supporters.

"I think that access to education and experiences is the key to having opportunity in your life, and it's key to building equity in our city."

2024 GOLF TOURNAMENT

Cristo Rey Kansas City's Golf Tournament brought together more than 175 enthusiastic supporters for a day of friendly competition and community spirit on the course. With the generous backing of over 20 corporate sponsors, the tournament raised an incredible $82,000 to directly benefit our students. Beyond the fairways and greens, the day was filled with camaraderie, shared purpose, and a powerful reminder of what can be accomplished when our community comes together to invest in bright futures.
