

## What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

### Effective Compacts:

- Link to goals of the school improvement plan  
Focus on student learning skills
- Describe how teachers will help students
- develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities and participation in the classroom

### Jointly Developed

The parents, students and staff of Hogansville Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

### Parents are welcome to contribute comments at any time.

If you would like to volunteer, participate and/or observe in the classroom, please contact our Family Liaison, Melanie Baswell, at [baswellme@troup.org](mailto:baswellme@troup.org)

## Building Partnerships

Anytime parents visit HES- from luncheons to academic workshops-our partnership is strengthened. Please check the student handbook, website, and/or Social Media for scheduled events.

If you would like to volunteer or mentor at the school, please let us know.

## Communication about Student Learning

HES is committed to frequent two-way communication with families about student's learning. Some of the ways you can expect us to reach you are:

- »Weekly homework folders
- »Email or phone calls
- »Updates on the school website and current grades in Infinite Campus.
- »Conferences on student progress
- »Home visits

Do you have questions about your child's progress?

Contact your child's teacher by phone at 706-812-7990 or e-mail.

E-mail addresses are on the school website at [hogansville.troup.org](http://hogansville.troup.org).

2026-2027

## School-Parent Compact for Achievement Fourth Grade Focus for Student Success

Revised 08/27/26

### Hogansville Elementary School

Dr. Hanna Beall, Principal

# Our Goals for Student Achievement

## District Goals

The Board of Education sets goals for the entire district. The district goals for 2026-2027 are:

Goal 1: Strengthen High-Quality Instruction and Student Achievement

Goal 2: Foster a Supportive, Engaging, and Future-Ready Learning Environment

## School Goals

In Fourth Grade our school will focus on the following areas:

1. During the 2026-2027 school year, we will increase the number of 4th grade students reading at grade level status from 64% to 75% as measured by the Georgia Milestones (based on last reported data).
2. During the 2025 - 2026 school year, we will increase the number of 4th grade students scoring at Proficient or Distinguished from 50% to 70% as measured by the Georgia Milestones.

When teachers, students and families work together, we CAN achieve our goals!

# Teachers, Parents, Students - Together for Success

## In the Fourth Grade Classroom

The Fourth Grade classroom will work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

Teachers will send home weekly reading comprehension activity.

Teachers will provide a weekly spiral review page for math skills.

Teachers will communicate through newsletters, Tuesday folders and through school status.

## HES Students

Hogansville Elementary School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Students thought of the following ideas to make connections between learning at home and school:

Students will complete the reading comprehension activity that is sent

Students will practice multiplication facts nightly and complete assigned homework.

Students will bring home their Tuesday folders and review it with their parents. They will discuss their behavior as well as other things that were sent home.

## At Home

Hogansville Elementary School parents joined staff to develop ideas about how families can support students' success in reading and math.

HES parents will remind students to complete their reading comprehension activity and to read 20 minutes per night.

HES parents will remind students to complete the weekly spiral review that is sent home as well as review it with them..

HES parents will check and sign folders that are sent home on Tuesday and stay in communication with teachers through school status.

## Additional Key Points for Success

1. Go to bed on time.
2. Arrive at school no later than 7:25 each day in order to enjoy breakfast.
3. Come to school prepared.
4. Strive to be at school and on time every day.
5. Good relationship with teachers for open communication.
