GPA Calculation
**Odyssey ECCO does not report class rank.*
Grading, %, GPA (HS), GPA (College)
A = Superior, 90%-100%
B= Above-average, 80%-89%
C=Average, 70%-79%
D= Below Average, 60%-69%
F= Failure, 59 or below
College classes are weighted by one point and high school honors classes are weighted by a half point.

School Demographics: 26-27
Male: 136 Female: 123

White: 56%
Two or more Races: 8%

Inspiring growth, excellence, and innovation to forge the future students envision.

MISSION

Provide free, personalized education resulting in students earning a college degree during high school.

ABOUT US

Odyssey Early College and Career Options (ECCO) partners with Pikes Peak State College, Ed Equity, Western Colorado University and Colorado State University-Pueblo, to offer a coherent and structured curriculum, with high school and college-level work blended into a single academic program. Our students aim to graduate with an Associate degree, sixty credit hours towards their Bachelor's degree, or a high school diploma.

Our four-year university bound students focus on taking guaranteed to transfer credit classes towards an Associate of Arts or Science degree, while our career and technical bound students earn credit towards an Associate of General Studies or Associate of Applied Science.

While on campus, students enjoy a rigorous and relevant education, with highly qualified adjunct faculty members who are excited to grow students to their best selves. Once the college courses offered on Odyssey ECCO's campus are complete, students are granted the opportunity to take the remaining courses required for their associate degree and designation at one of the PPSC campuses around Colorado Springs.

ACADEMIC PROGRAM

An early college is a state-designated high school with a four-year curriculum that allows students to earn a high school diploma plus an associate degree, postsecondary credential, or up to 60 college credit hours upon graduation.

At Odyssey ECCO, students take Guaranteed Transfer college courses taught by adjunct professors from Pikes Peak State College and Colorado State University Pueblo. Freshmen and incoming students begin with college-preparatory honors courses in English, Algebra, Multicultural U.S. History, Biology, AVID, and Career and Technical Education. Students also begin college Spanish in 9th grade and add additional college-level courses as they are prepared and qualified.

Odyssey's academic program consists of eight 95-minute block classes per semester, combining honors and college coursework with a maximum of 15 college credit hours per semester. Block classes are semester-long and meet three times per week. For more information, visit Odyssey ECCO's Program of Studies.

Highlights of the Academic Program

- 100% of students take college courses (concurrent enrollment) beginning in grade 9.
- College courses are offered on the Odyssey ECCO campus:

- English Comp. 1&2	-Chemistry	- Interpersonal Communications
- Creative Writing	- Psychology	- World Languages
- College Algebra	-US History	-Environmental Conservation
- Math for Liberal Arts	- Government	-Media & Society

- Students attend concurrent enrollment courses on a Pikes Peak State College campus during their junior and senior years.
- During students' time at Odyssey ECCO, students take career and technical education courses to experience in-depth project-based learning and career exploration.

VISION OF A GRADUATE

The eight competencies for success were developed in response to feedback from our community and D11 staff and student cohorts in 2019. These are skills that all graduates need for success in whatever path they follow in life.

- ACADEMICALLY READY LEARNER
- CONTINUOUS LEARNER
- SKILLED COMMUNICATOR
- EMPOWERED CITIZEN
- INNOVATIVE PROBLEM-SOLVER
- HEALTHY & BALANCED LEARNER
- CRITICAL THINKER
- EMPATHETIC COLLABORATOR
