CLOVER PARK
TECHNICAL COLLEGE

4500 STEILACOOM BLVD SW, LAKEWOOD, WA 98499-4004

September 30, 2026

Mr. Chris Woods, Superintendent
Yelm School District
240 North A Street
Buckley WA 98321

Dear Mr. Woods:

We are happy to continue our partnership and provide your students an additional pathway to pursue a career training program. For students in your district to participate in any of the diploma programs offered through Northwest Career & Technical High School at Clover Park Technical College, an Interlocal Agreement must be in place between our institutions. Please find enclosed the copy of the Interlocal Agreement for the 2026-2030 school years. It is identical to the previous signed interlocal agreement. If your district would like students to continue to have this option, please complete the agreements enclosed.

If this is not addressed to the appropriate person, please let us know as soon as possible.

We have enjoyed working with your district in the past and look forward to serving your students in the future. If you have any questions, please call, Brittanny Bowman, Instructional Program Assistant, at (253) 589-5770.

Sincerely,

Jenna Pollock

CLOVER PARK TECHNICAL COLLEGE
And
YELM SCHOOL DISTRICT
Interlocal Cooperative Agreement for Educational Services
2026-2030 School Years

This AGREEMENT is entered into by and between **Clover Park Technical College**, Pierce County, Washington, hereinafter referred to as "the College" and **Yelm School District** hereinafter referred to as "the District".

WHEREAS, each school district in the state of Washington is authorized by statute to participate in Interlocal Agreements to secure educational opportunities, including vocational education programs, not otherwise provided; and

WHEREAS, the District has determined that certain students may advantageously be enrolled in the College's job training programs under RCW 28B.50.533 and WAC 392-121-187;

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter contained, the parties agree that:

1. An eligible student is at least sixteen and, as of the beginning of the school year, is not yet twenty-one years of age. The student has not yet earned the credits required for, or received a high school diploma. The student has completed grade ten, as determined by the District. The College shall determine qualifications for admissions into the training program.

2. The District will permit the student to attend the College and the District will pay no costs to the College unless otherwise agreed upon by both parties. The College will report enrolled students monthly (October through June) to both the Educational Service District and the District. State vocational education monies will be paid directly to the College.

3. Transportation to and from the College is the responsibility of the student or the parent/guardian of the student.

4. The cost of textbooks, fees and supplies is the responsibility of the student or the parent/guardian of the student.

5. This agreement does not affect District students in Running Start or special education.

6. The transcripts of students re-enrolling in the District shall be subject to review by District staff to determine credits and requirements.
