READY FOR SOME POST-HALLOWEEN FUN  
WITH YOUR PUMPKINS?

Every year, over 1 billion pounds of pumpkin  
are tossed out at Halloween. Instead of throwing  
out your pumpkins, take them to SMASH  
to be CRUSHED and composted for free!

Bring friends & family to check out custom-built  
smashers, fun science experiments, robot demos,  
and Makers for 3 hours of STEM-focused fun!

2:00-5:00PM SUNDAY
