E-Learning Days

E-Learning days are back this year! Students in 1st-5th grades will bring home their school device to complete learning tasks. Our first e-learning day will be **October 12!** Teachers will be sending home e-learning plans the week of October 5.

Attendance

Our school is working together on our attendance goal! Our school goal is to be at 95% or higher each month, per the state guideline. For the month of September, our school had an attendance rate of 96%! We could not have accomplished this without the help of our wonderful families. Thank you for working with us to make sure your student is at school!

WHEN DO ABSENCES BECOME AN ISSUE?

HABIT OF THE MONTH

✓ **Habit 1: Be proactive!**

✓ **What does this mean?**

I am responsible for my choices and how I react to others or situations.

✓ **How you can practice as a family:**

Choose a Habit 1 activity from the Family Bingo Board!
