5th Grade Math Class

Ms. Thibodeau's math class recently enjoyed a hands-on learning experience with a food truck festival! Students are deepening their skills in adding and subtracting decimals by visiting different food trucks and making real-world purchasing decisions within a set budget.

5th Grade State Letters

Ms. Thibodeau, Mr, Farrar, and Ms. Renaud's homerooms at the start of the year sent out letters to each state in the U.S. asking for tools to help them learn more about their state, this past week they have received a few packages back which have included items included but not limited to: maps, travel guides, and stickers!

So far they have received 17 states!

Standard Response Protocol Information

Dear Parents and Guardians:

The safety and wellbeing of our students and staff is our top priority. As we begin a new school year, RSU 22 wants to inform the school community about the safety protocols that are initiated during a potential emergency. For 10 years, RSU 22 has utilized the I LOVE YOU GUYS Foundation's Standard Response Protocol (SRP). The SRP went through a revision in 2025 and RSU 22 has taken steps to upgrade our safety information. Below you will find the link to the Standard Response Protocol parent information handout.

If you have questions regarding the Standard Response Protocol and how your child's school responds to an emergency please contact your child's building principal.

Fire Safety

Fire Prevention Week is October 4-10, 2026

Tips for Fire Safety

- ★ Install smoke alarms on every level of your home, inside bedrooms and outside sleeping areas.
- ★ Test smoke alarms every month. If they're not working, change the batteries.
- ★ Replace all smoke alarms when they are 10 years old or stop responding when tested.
- ★ Talk with all family members about a fire escape plan and practice the plan twice a year.
- ★ If a fire occurs in your home, GET OUT, STAY OUT and CALL FOR HELP.
