

SELAH SCHOOL DISTRICT STADIUM RULES AND REGULATIONS

With the installation of the new Field Turf, there are new rules and regulations to ensure that the investment will be protected and the maximum life of the field will be realized. Karl Graf Field and Stadium is a facility owned and operated by the Selah School District.

Scheduling & Booking Events

The Stadium is the home facility to Selah High School athletic teams. Selah Middle School athletic teams will also have precedence as long as sufficient advance booking occurs. The Stadium is available for other athletic events, community activities, performances and outdoor entertainment, but not deemed as a year round practice facility. Special consideration will be given to community athletics and activities, which will have scheduling priority. Other scheduling is done on a first come, first served, first contract completion basis along with the discretion of the Selah High School Athletics Department and the Selah School District.

How to Book

All potential renters must complete a Pre Stadium Rental Application via Google Form for use in order to be considered for booking. In determining approval of an application to use the Stadium, the following criteria will be taken into consideration:

- Community benefit of the event.
- Capacity and character of event planners to complete the event.
- Ability of event planner to properly manage the proposed event.
- Resources available to complete the event.
- Safety of the fans and potential damage to the facility.

The applicant is notified via email provided once the event has been rejected or accepted by the Turf Field Manager.

The next step, once accepted, the responsible party will be required to create a user profile in Arbiter the Selah School Districts activity scheduler, this will allow the user group to upload required insurance and liability information, and request the dates of the event.

STADIUM FACILITY FEE SCHEDULE

This Fee Schedule is specific to the SHS Turf Field and Stadium.

Class 1- Schools or Child-related Groups or Other Government Agencies. A rental fee will be charged.

Class 2- Nonprofit Groups. A fee for actual cost plus a rental fee will be charged. The rental fee may be waived if activity is for charitable purposes.

Class 3- Commercial Enterprises. A prevailing rate charge for non regular use will be determined on a case by case basis.

Classifications are detailed in School Board Policy and Procedure 4260
