Why choose ECHS?

- Small school environment with high school and college classes
- Highly motivated students are able to take college courses & complete 2 years of college free of cost!
- 1 to 1 Laptops
- Saves money and time by integrating college courses as early as 9th grade
- Access to TCC campus, study centers, TCC tutors, and more!
- Serves the intellectual and developmental needs for students looking to accelerate school
- Student leadership and many career development opportunities!

Who can Apply?

ECHS is seeking mature scholars who will dedicate themselves to an accelerated high school and college environment.

Student desire is key.

Requirements for Applicants:

- Current 8th or 9th Grader who reside within the MISD School district.
- Interested in a non-traditional learning education with a college focus.
- Able to understand that this environment is rigorous and academically structured.

Lastly, parents should understand the indepenence needed for students to be successful in college courses.
