

What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan Focus on student learning skills
- Describe how teachers will help students
- develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students and staff of Callaway Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.

If you would like to volunteer, participate and/or observe in the classroom, please contact our Family Liaison, Tykeuia Williams.

Building Partnerships

Anytime parents visit CES- from luncheons to academic workshops-our partnership is strengthened. Please check the student handbook, website, and/or Social Media for scheduled events. If you would like to volunteer or mentor at the school, please let us know.

Communication about Student Learning

CES is committed to frequent two-way communication with families about student's learning. Some of the ways you can expect us to reach you are:

- » Weekly homework folders
- » Email or phone calls
- » Updates on the school website and current grades in Infinite Campus.
- » Conferences on student progress
- » Home visits

2026-2027 School-Parent Compact for Achievement Second Grade Focus for Student Success

Revised 9-1-26

Callaway Elementary School

Our Goals for Student Achievement

District Goals

The Board of Education sets goals for the entire district. The district goals for 2026-2027 are:

Goal 1: Strengthen High-Quality Instruction and Student Achievement

Goal 2: Foster a Supportive, Engaging, and Future-Ready Learning Environment

School Goals

In Second Grade our school will focus on the following areas:

1. By the end of the school year, 75% of students will demonstrate growth in reading as measured by the Amira diagnostic assessment from Fall to Spring. Students will work toward making at least one year's growth in reading proficiency.
2. By the end of the school year, 75% of students will demonstrate one year's growth in mathematics from Fall to Spring as measured by the IXL Diagnostic.

When teachers, students and families work together, we CAN achieve our goals!

Teachers, Parents, Students - Together for Success

In the Second Grade Classroom

The Second Grade classroom will work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

- *will provide targeted instruction and personalized practice through IXL
- *Use Number Talks daily to ensure strong number sense

- *work on reading proficiency through targeted instruction and practice using UFLI lessons and Storyworks

- In the classroom, we will use attendance trackers as a way to monitor attendance each day.

CES Students

Callaway Elementary School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Students thought of the following ideas to make connections between learning at home and school:

- Participate actively in math lessons.
- Ask questions when I do not understand a math concept.

- *Read every day at school and at home.
- *Ask questions and participate actively during reading lessons.

- *Be at school each day and actively participate

At Home

Callaway Elementary School parents joined staff to develop ideas about how families can support students' success in reading and math.

- Utilize "down time" to practice fact fluency
- Check weekly newsletter for skills

- Go over UFLI words
- Check newsletter/school status for updates

- Make sure my child is at school each day on time

Additional Key Points for Success

1. Go to bed on time.
2. Arrive at school no later than 7:25 each day in order to enjoy breakfast.
3. Come to school prepared.
4. Strive to be at school and on time every day.
5. Good relationship with teachers for open communication.
