

What is a School-Home Compact?

A School-Parent Compact is a written commitment describing how all members of a school community, (parents-families, staff, and students) agree to share the responsibility for learning. This bridges the connection between school and home.

Jointly Developed

This compact was jointly developed with the following representatives:

- School Leadership
- Faculty-Staff
- Parents-Guardians
- Community Partners

The committee at North Sumner Elementary School developed this School-Parent Compact. Teachers suggested home learning strategies and parents added ideas to make the strategies more specific. Meetings will be held yearly to review the compact and make changes based on student needs.
