

 **VISION**
High levels of learning for all students.

 **MISSION**
To create a high-quality public school that prepares students for success in a globally competitive world.

 **BELIEFS**
1. We are focused on learning. 2. We sustain a collaborative culture. 3. We focus on results.

	College and Career Ready (Reading/ELA)	School Culture	College and Career Ready (Math)
OBJECTIVE	75% of all students will meet or exceed the grade-level benchmark in the area of reading as measured by ACAP by spring 2028.	By spring 2028, 100% of staff will implement the Tiered MTSS-B plan with fidelity to improve schoolwide behavioral expectations.	50% of all students will meet or exceed the grade-level benchmark in the area of math as measured by ACAP by spring 2028.
CRITICAL INITIATIVES	Strengthen core instruction to ensure educational equity in instruction and assessment so all students can learn at high levels.	Proactively implement strategic Tier I behavior interventions for all students to foster a positive, consistent learning environment where all students can learn at high levels.	Strengthen core instruction to ensure educational equity in instruction and assessment so all students can learn at high levels.
INTENDED OUTCOMES	Increase reading proficiency through collaborative teacher teams, collective teacher efficacy, and strong core instruction.	Decrease ISS and OSS consequences by reducing office-managed referrals through consistent Tier I MTSS-B Implementation.	Increase math proficiency through collaborative teacher teams, collective teacher efficacy, and strong core instruction.
KEY MEASURES	1. CFA Data 2. ACAP Data 3. Spark Time Schedules (Tier 3) 4. MTSS-A 5. Teacher Walkthrough Data 6. iReady Data	1. Monthly Incident data 2. Increase in class-managed documentation 3. Number of students attending quarterly behavior incentives 4. Cougar Huddle Data	1. CFA Data 2. ACAP Data 3. Spark Time Schedules (Tier 3) 4. MTSS-A 5. Teacher Walkthrough Data 6. iReady Data
