

PEPPERHILL ELEMENTARY FAMILIES

Proposed Universal Pre-K Expansion and Attendance Line Changes for 2027–2028
Pepperhill Elementary, Midland Park Primary & Pinehurst Elementary,
and Dunston Elementary

WHY PEPPERHILL?

- Students within walking distance of Pinehurst are zoned for Pepperhill.
- Available classroom space.
- Land for a future building addition.
- Expanding at Pepperhill allows more 3K & 4K to attend north of I-526.

WHAT WOULD CHANGE?

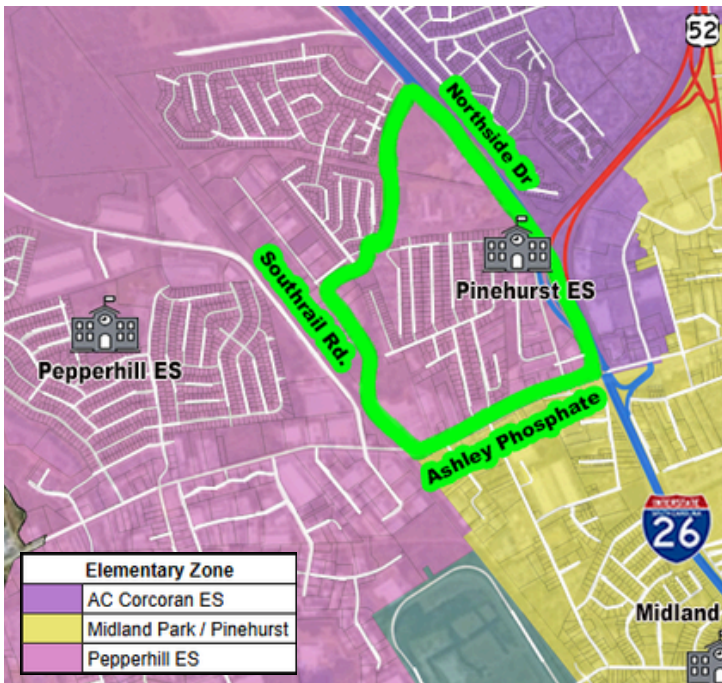

Pepperhill's enrollment would decrease by about 146 (K-5) students over time.

- All zoned 3K and 4K can attend Pepperhill.
- Current Pepperhill students may remain through 5th grade.
- Affected students would attend a school within walking distance.
