

School Parent Compact 2026 - 2027

What is School Parent Compact?

A School Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade level standards. An effective compact will align with the CIP goals, focus on student learning skills, high quality curriculum and instruction.

Jointly Developed with Parents/ Guardians

The parents, students, and staff of YWCPA meet yearly to discuss the student learning needs based on current grade level data. Our School Parent Compact for Achievement is revised based on these discussions. Teachers suggest home learning strategies, parents add ideas to make them more specific, and students identify ways to support their learning goals.
