WYOMING  
CITY SCHOOLS

October 2, 2026

Dear Primary Families,

A huge thank you to everyone who made last weekend's Harvest Fest such a wonderful success! **Thanks to your incredible generosity and support, Harvest Fest raised \$9,000 for our sister school in Sierra Leone!** Making a global impact together is a true testament to the warmth and strength of our Wyoming community spirit.

To celebrate reaching our goal by selling over 400 Harvest Fest t-shirts, we had the joy of hosting Wyoming High School students for lunch recess across all three of our elementary buildings. Seeing our students, both big and little, laughing, playing, and connecting was an absolute delight! Be sure to scroll to the end of this newsletter to see photos!

## Cowboy TV Spotlight

This week on Cowboy TV, we explored how we can navigate life's unexpected, disappointing, or upsetting moments by using a simple but powerful equation:  $\text{Event} + \text{Response} = \text{Outcome}$  ( $E + R = O$ ). We might not have control over every event that occurs in our lives but we do have control over our responses. In order to create the best outcome possible, it is important to choose a thoughtful response rather than have an emotional reaction.

Our students learned how to practice flexible thinking by letting go of a "first choice" when it isn't available and finding creative alternatives instead. By using their calming strategies when feelings of disappointment arise, our young learners are already putting these practical tools into action every day!

## Vermont Arrival & Dismissal

We have recently received an increased number of reports regarding unsafe driving during Vermont's arrival and dismissal. To ensure our students arrive and leave safely each day, please take a moment to review these key reminders and adjust your family's routine if needed:

- **Drop Off on Sidewalks Only:** Students must always be dropped off directly onto a sidewalk. Please never stop in a crosswalk or drop off children in the middle of the street. Doing so creates serious safety hazards and slows down traffic for everyone behind you.

- **Respect Our Neighbors:** Blocking, pulling into or backing out of neighboring driveways is strictly prohibited. Backing up near crowded walking areas poses a major safety risk and interrupts the flow of traffic.
- **Observe the 20 MPH Speed Limit:** The speed limit in our school zone is 20 mph. Speeding in school zones carries heavy fines and significant legal penalties, which we certainly want everyone to avoid.
- **No U-Turns:** U-turns are never permitted in a school zone.

**Watch next week's Thursday folders for a new Vermont School arrival plan!**

We truly appreciate your cooperation, care, and vigilance in maintaining a safe environment for all of our students. This is a team effort! Thank you for doing your part to keep our

Have a wonderful weekend!
