San Pasqual
- Union School District -

Hello San Pasqual Family,

We are excited to offer an **after-school Creative Writing Workshop** for our third through eighth grade students! This workshop, led by former San Pasqual student and current author, NJ Enslow, will focus on fostering creativity, improving writing skills, and helping students find their unique voices.

The program will include:

- Fun and engaging writing prompts
- Personalized feedback to help students grow as writers
- Support for students who want to develop their storytelling and writing techniques
- Writing challenge opportunities

We are thrilled to offer this opportunity for students to explore and enhance their writing skills. To ensure a positive and productive experience, students are expected to behave appropriately and follow the SOAR principles.
