

SCHOOL-BASED RESTORATIVE APPROACHES:

Proactive Practices for Flourishing Classrooms

Students communicate needs through their behavior. How we respond can strengthen engagement, relationships, and readiness to learn. This interactive, one-day workshop introduces practical School-Based Restorative Approaches (SBRA) educators can use to understand and respond to student behavior, establish supportive classroom routines, and strengthen classroom community.

Lizzie Rodriguez
Featured Facilitator

Participants will:

- **Understand behavior as communication** and respond to student needs.
- **Practice routines and strategies** that support engagement, belonging, and positive behavior.
- **Explore how SBRA aligns with MTSS** and complements existing **PBIS** practices.

*Workshop participants are
invited to join our*
