Did you know?

The APAC serves West and South Albany High School, all 4 middle schools and 8 elementary schools in The Greater Albany Pubic School District!
We are also the performance home for 2 dance companies and the local symphony!

New Ticket Process for 2026-2027

Almost all of our school music concerts are FREE for all patrons. This year we are asking patrons to obtain a general admission ticket for every concert they attend. This will help us track concert attendance and generate support for the APAC and its mission in our community! We are not requiring tickets for these free concerts. You can obtain these tickets in advance or on the night of the concert via QR code in the lobby. Thanks for your Support!
