Colleen Toth

Building Principal at BBHES

Brecksville - Broadview Heights Primary School is a dynamic learning institution serving children in our communities in grades PreK-5. As principal, I am honored and proud to help lead a staff of among the most compassionate, caring and dedicated instructors and support team in our district. BBH Elementary School helps instill a positive culture, bringing all students, staff, and families together to create new and unique learning opportunities that will have an uplifting influence on our students' elementary school experience.

Brecksville - Broadview Heights Primary School is committed to supporting the academic, social, and emotional growth of every child and fostering a love of learning. We strive to accomplish this goal through various initiatives, by promoting creativity and innovation in the classroom, and ensuring a caring, safe environment for all students. Building and maintaining strong relationships with parents, students, staff and community partners is an important element of helping our students succeed. By working together, we will provide our students with the best possible opportunities to allow them to be emotionally prepared, future ready, self-reliant, and globally responsible.

Our facility is first rate, and we utilize some of the most innovative amenities and features in all of education. Please read below to learn more. Our academic, co-curricular, and student leadership opportunities help prepare our students for their next steps on their respective educational journeys. I am truly grateful to serve our school community and will provide a memorable elementary experience for your children. I am looking forward to the new school year and the exciting endeavors that await our students and families.
