Community, Tradition, and Wonderful People

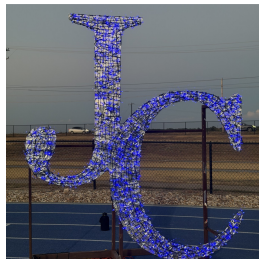

Jarrell ISD is filled with wonderful people, and this past week was another great reminder of what makes our district and community so special.

Homecoming is one of our favorite traditions, but traditions like these don't happen without people willing to give their time, energy, and talents. Thank you to everyone who helped organize and support this year's Homecoming activities—from our staff and students to the countless volunteers who decorated floats, participated in the parade, and worked behind the scenes to make the week memorable.

A special thank-you goes to Kacee Steinback for her leadership in organizing our Homecoming Parade and coordinating the many details required to make this great Jarrell tradition possible. We also want to recognize and thank our JISD Police Department, local law enforcement, and local fire department for their partnership and commitment to keeping our students, families, and community safe throughout the festivities.

And, of course, thank you to our wonderful Jarrell community! Seeing families, friends, alumni, and community members lining the parade route and cheering on our students and schools was a wonderful sight. Your enthusiasm and support made the celebration even more special. Homecoming may be about tradition, but at the heart of every great tradition are wonderful people. Thank you for being the people who make Jarrell ISD a great place to learn, work, and call home.

Have a wonderful week, Cougars!

National IT Professionals Day

September 15 was National IT Professionals Day, and we're shining the spotlight on the incredible Jarrell ISD Technology Team!

From keeping our classrooms connected and our devices running to troubleshooting tech troubles and supporting staff and students across the district, these behind-the-scenes heroes keep Cougar Nation moving forward!

They may not always be in the spotlight, but their impact is felt in every classroom, every campus, and every click!

We appreciate you more than you know!
