Algebra I Classes Combine; Learning Multiplies

Recently, students in Mrs. Rowe, Mr. Gibson, and Mrs. Cheek's Algebra I classes worked together in the Media Center during a collaborative station activity. The activity was designed to strengthen their skills in solving multi-step equations.

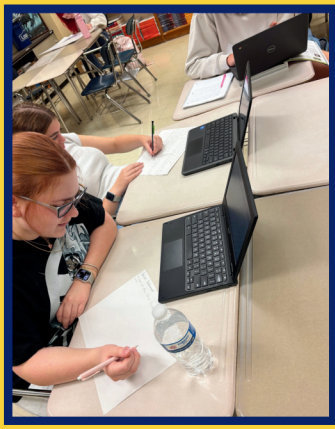

Students Learn Life-Saving Techniques

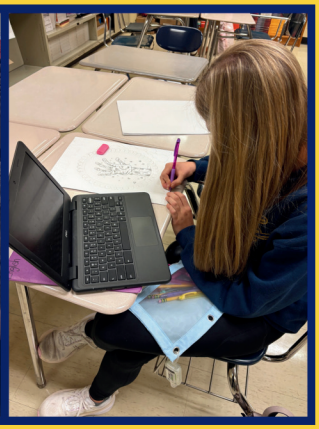

Recently, students in Mrs. Lutska's First Aid and CPR class learned how to use a tourniquet and pack a wound. Special thanks to Southeast Regional EMS for the Stop the Bleed Equipment!

Guest Speaker Addresses Mental Health

Last week, Mrs. Lutska's health classes hosted guest speaker Nadine Engel from the American Foundation for Suicide Prevention. She presented "It's Real: Teens and Mental Health for High School Students," which is a 45-minute program that provides young people with mental health education and resources. The program raises awareness about mental health issues, demonstrates how to start a conversation about mental health, the importance of self-care, and how to reach out for help if you or a friend needs it.

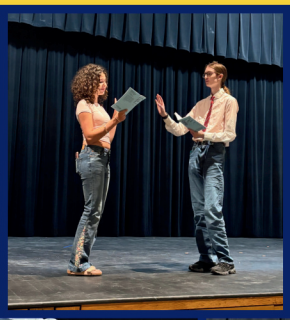

Music and Literature Come Together in English Class

Recently, students in Mrs. Bogol's English class created music albums for Edgar Allan Poe's *The Fall of the House of Usher*. This fun activity is perfect for the current season!

Rehearsals Underway for Fall Play

The RHS Drama Club has been hard at work rehearsing for this year's Fall Play: *Scenes from Romeo and Juliet (Sort of...Almost)*. This funny show is one you will not want to miss. Come see all of their hard work come together on Tuesday, October 20th!

Students Explore Industrial Careers

On Thursday, September 24th, Mr. Gilpin accompanied students Daniel Sesco, Alissa Rotta, Kendall Mitchell, Izzy Gamble, Isabella Horning, Grace Custer, Addy Allen, Bella Palmer, and Harlow Spalla to the Range Resources Career Day. While there, they got to visit each of eleven sections at which an employee explained various jobs in the company.
