

Expanding Early Learning Opportunities in North Charleston

Charleston County School District is expanding Universal Pre-K in North Charleston and attendance line adjustments to provide more children with access to high-quality early learning close to home.

Before any potential changes are made, the district will hold community meetings at **the following dates and times** to share more information, gather feedback, and hear directly from our families.

- **North Charleston Elementary:** Wednesday, September 23, 2026, at 5:30 p.m.
- **Pepperhill Elementary:** Monday, October 5, 2026, at 5:30 p.m.
- **Midland Park Primary:** Tuesday, October 6, 2026, at 5:30 p.m.
- **Malcolm Hursey Montessori:** Tuesday, October 13, 2026, at 5:30 p.m.

We believe expanding early learning is an important investment in our children and our communities, and we appreciate your partnership and feedback as we work to bring these opportunities to more North Charleston families.
