

3rd Grade's October News

What we are learning:

Reading: HMH Module 1- Realistic fiction texts through studying characters, theme, point of view, literary elements, figurative language, and text/graphic features. Students will apply spelling patterns and enhance their vocabulary through word work. We will begin Module 2 towards the end of the month.

Writing: We will continue to organize ideas into paragraphs and then explore narrative writing.

Math: Module 1- Multiplication and Division strategies. Students will continue to use FIRST to solve word problems. We will begin Module 2 towards the end of the month.

Reminders

- Dismissal changes must be in writing. Please call the main office by 1:00 if a note is not sent in.
