Admission Season is Already Here!

Over the past several years, Episcopal Collegiate has experienced continued growth in both inquiries and applications. At the same time, we remain intentional about class size so that our students are known, supported, and able to fully engage in all that an Episcopal education offers.

With that in mind, we encourage current families considering Episcopal for a sibling in the 2027–28 school year to begin the admission process early. Submitting an application is an important first step and allows our Admission team to work alongside your family as we move into our fall observation and shadow season.

Upcoming Admission Dates:

- Kindergarten Observations: November 2–5
- Pre-K4 Observations: November 9–12
- Pre-K3 Observations: November 17 & 19
- Grades 1–12 Shadow Visits: Beginning after October 23
- Early Admission Decisions: November 20

While an application does not guarantee admission, we want to make sure our current families are aware of the timeline and have every opportunity to complete the process as interest in Episcopal continues to grow.

We are grateful to have your family as part of the Episcopal Collegiate community and would be delighted to help you explore Episcopal for another child in your family. If you have any questions or would like guidance on next steps, please contact Director of Admissions Mary Jane Briggs at **mjbriggs@episcopalcollegiate.org** or Associate Director of Admissions Mahlon Martin at **mmartin@episcopalcollegiate.org**.

Next Wednesday, October 7, we will celebrate the Feast Day of St. Francis of Assisi with a Blessing of the Animals in all chapels. Students are invited to bring a small stuffed animal that fits in their backpack or a picture of a pet from home to be blessed.

We will also host our Lower School Flu Clinic that day. If you would like your child to receive the flu vaccine, please make sure you have completed the flu clinic form in advance.

A huge thank you to our Wildcat Roundup Committee and all of the volunteers who helped make this special event possible. We are so grateful for the time, energy, and enthusiasm you shared to make this event a success!

Good luck to our PSL flag and tackle teams this weekend! Episcopal Green plays CAC White at 8:00 a.m., and Episcopal White plays CAC Purple at 8:00 a.m., both at CAC. Our tackle team takes on LRCA Navy at 9:00 a.m. at CAC. Go, Wildcats!

Lunch Visit Guidelines

Parents are always welcome to join their children during their designated lunch time. If you would like to bring a special lunch for your child, we simply ask that you bring it only for your child. When lunches are brought for

multiple students, it can unintentionally lead to hurt feelings for those who are not included and can also create concerns related to food allergies. Thank you for helping us make lunchtime a welcoming and inclusive experience for all of our students, while also helping us keep their safety in mind.

Everyone in the Episcopal Community is welcome to participate. The Arkansas Department of Health Consent Form is required for each person receiving the vaccine. Please remember to fill out the front and back of the form. There is no charge for the vaccine, however it is necessary to fill out the section on insurance information, if applicable. If your insurance pays for a flu vaccine then ADH will file paperwork for reimbursement. Forms will be sent home in your child's backpack this Friday. A Note from Dr. McCormick

Dear Families,

We wrapped up Monday's Morning Meeting by having eighth grade representatives from each of our four houses - Cottonwood, Oak, Maple, and Cypress - come to the stage and participate in a 90-second tower

building challenge. Materials for the build were popsicle sticks and marshmallows, and the team who built the tallest structure that stood the longest was the winner. We replicated this challenge with our seventh grade house representatives at Thursday's Morning Meeting. In both cases, student energy in support of their teams was high, buoying our spirits as we began our respective academic days.

MS Athlete of the Week: Eighth grade cheerleader Beckett Beene

From Coach Baker: When Dr. McCormick asked me to nominate an Athlete of the Week, this cheerleader immediately came to mind! Her cheer season hasn't gone as she planned, but it hasn't stopped her from losing her amazing spirit! Her injury may have changed the way she dances or cheers on the sidelines, but it hasn't slowed her down or stopped her! She hasn't missed a practice or a game and has performed with her big smile and contagious energy! Beckett Beene, we are all proud of you!! Congratulations!

A Note from Dr. Graham

Dear Upper School Families,

We are excited to welcome many grandparents and special friends to campus this morning for Grandparents' Day. It's always heartwarming to see our students–especially our littlest ones–sing songs to their grandparents.

Looking ahead to next week...

The first quarter ends on Wednesday, October 7th. You'll be able to view your child's Q1 grades in Veracross on Wednesday, October 14th. To go along with report card grades, our teachers are writing narrative comments, which are short reports about your child's progress in their courses. We encourage you to review those comments before you attend your child's conference on Friday, October 16th.

Speaking of Conference Day, if you have not already signed up for your child's conference, please do so here.

And please take a look below at our Homecoming Spirit Week Dress Themes! All students, faculty, and staff are encouraged to dress up and get into the HoCo Spirit.

Thank you, and see you out there.

Schedule your Child's Fall Conference Here - Friday, October 16

Friday, October 16, is family-student-advisor conference day in the Upper School. We will not hold classes, but students will participate in their mandatory 30-minute conferences with their families and advisors. We ask that at least one parent or guardian join each student for their conference. Conference Day gives you, your child, and your child's advisor the opportunity to reflect on and discuss your child's whole-school experience, including academics, extracurriculars, social fit, and more. Conferences deepen your child's growth and our collaboration with you.

To schedule your family's conference with your child's advisor, you must sign in to your **Veracross parent portal** (be sure not to use an old link). Once you sign in, you will see the button to sign up for conferences on the lower right-hand side of your home page. Follow the prompts to register for your conference. If you have technical issues with the portal, please contact Registrar Julie Fitz. If you can't schedule a conference on October 16 because convenient time slots are booked, please reach out to your child's advisor directly to schedule an alternate meeting time.

Fresh Start Kits Supply Drive

Student Council is hosting a supply drive benefiting Fresh Start Kits, now through October 5th.

Senior Charlie Radtke founded Fresh Start Kits, a nonprofit that provides hygiene supplies to people in our community who need them. We will pack all donated items into kits and distribute them to organizations across Little Rock that support people experiencing homelessness.

Items to bring include toothpaste, toothbrushes, shampoo, conditioner, soap, body wash, lotion, and lip balm or ChapStick. Travel-size or mini items are preferred. Advisories are collecting items and competing to see which group can bring in the most supplies.

Order your Homecoming Florals from Fairytale Floral

Fairytale Floral is partnering with us for Homecoming this year! They will be creating boutonnieres, corsages, and nosegays for students to order for the dance.

To place an order, please call Fairytale Floral at (501) 753-8393. When ordering, be sure to let them know you are ordering for Episcopal Collegiate so they know to deliver your order to the school.

All orders will be delivered to school on Friday, October 23, so Upper School students can take their flowers home and have them ready for the dance on Saturday!

Contact Us if Your Child is Absent, Late, or Checking Out

Parents, if your child is absent, arriving late to school for any reason, or needs to check out during the school day, you must contact the School and let us know. If your child is absent, please call the Main Office at 501-372-1194 ext. 3 and leave a detailed message, or email Selby Boyd at **sboyd@episcopalcollegiate.org**. Upper School students are expected to communicate any known absences in advance with their teachers, coaches, and advisor.

Planned Absences

Parents should submit a written request for a planned absence to the Upper School Dean of Students, Grace Self, at **gself@episcopalcollegiate.org** at least one week before the absence, explaining the reason and the dates the student will be away from school. Ms. Self will provide students with a Planned Absence Form for their teachers to sign. Once the student has collected the signatures, they may return the form to Ms. Self.

Vine & Village Service Trips

For the fifth consecutive year, all Upper School students will participate in community service at **Vine and Village**, which operates a weekly food pantry in the University neighborhood each Tuesday. They feed hundreds of families a month, providing weeks' worth of shelf-stable, frozen, and fresh groceries. Led by Episcopal faculty advisors and administrators, our student groups help set up the food distribution, greet clients, and load cars. It's a good way for us to express our values of Respect, Reverence, and Responsibility by assisting our neighbors in need.

Every student will serve at least once at Vine and Village. The trip will count as two hours toward their service-hour requirement.

A Note from our Librarian (Student Tech Cards)

Dear Episcopal Collegiate School Families,

Episcopal Collegiate School is continuing our partnership with the Central Arkansas Library System (CALS) through the Tech Card Project. Tech Cards give our students access to digital reading, research, and educational resources both at school and at home, including research databases, eBooks, audiobooks, magazines, language-learning programs, and more!

Students can access these resources through the CALS Student Portal at **www.cals.org/student-portal**. Students can access their Tech Card number on Canvas. Some resources require a PIN; the PIN for all student Tech Cards is 1234.

Parents and caregivers can customize their child's content settings in Libby using Content Controls. No action is required to continue using the existing settings.

To adjust these settings, add your student's Tech Card and PIN (1234) to Libby, then:

1. Open the Libby menu and select Settings.
2. Select Content Controls.
3. Adjust settings for your student.

Settings must be applied on each device the student uses.

Please note that Tech Cards provide access to digital resources only and cannot be used to check out physical materials from CALS locations. Families may apply separately for a CALS library card to borrow physical materials.

If you have questions about your student's Tech Card or need help accessing these resources, please reach out to me. You may also direct questions about the CALS Tech Card program to Amanda Orgel, CALS Youth Services Coordinator, at (501) 918-3049 or **outreach@cals.org**.

Sincerely,
Jennifer Agee
