FOR: AFTER SCHOOL GYM USE
TO: COACHES AND ADULTS RESPONSIBLE FOR CHILDREN USING THE GYM

Please make sure your players/children follow these rules to keep everyone safe, for the ease of after school dismissal, and to keep the gym looking its best.

1. 4:00 PRACTICES - Because of the congestion of dismissal, players and coaches who have a 4:00 practice need to wait at the bench of the main entrance until 3:50 to come down to the gym. Students are dismissed at 3:42 from their classes, so coaches need to wait with their players from 3:42 until 3:50.

2. Players and siblings of players need to have a coach/adult with them at all times. Do not allow students to roam the hallways alone.

3. Please bring your own equipment to use in the gym. If you need equipment, ask a custodian to get equipment from the "After School Equipment Closet" near the restrooms. Do not use Physical Education equipment in the gym closet.

4. Do not allow anyone to climb the bleachers for a ball. Let a custodian know about the ball, and they will get it down with a ladder.

5. Do not allow anyone to bring balls in the hallway or bounce them on the tile floor.

6. Food, drinks, and water bottles are not allowed on the wood floor. Put these items on the tile floor or in the hallway.

7. Do not allow players to wear cleats or shoes that leave black marks on the floor.

8. When leaving, please clean up any trash, clothing, or equipment. Make sure both outside gym doors are latched closed. If you lean on these, they will stay unlatched.

THANK YOU☺
