d. ITAC: It Takes a Community- report via email: ITAC is excited to be back at school with students and ready for the new year! Our Youth Coalition will be meeting for the first time this year soon, if students are interested in joining us, please have them check out our info during club week. Red Ribbon Week happens at the end of November, and we are looking forward to sharing details about that as we get closer. We're hoping to take a small group of students to the National Conference in DC in February. Interested students should attend Youth Coalition meetings. ITAC is always looking for other ways to collaborate with IHSPA - especially the senior sunset but we are also open to other ideas - please keep us in mind!
