

SOUTHLAKE CHRISTIAN ACADEMY ATHLETICS

Student-Athlete & Parent/Guardian Code of Conduct

OUR MISSION

Athletics at SouthLake Christian Academy are an extension of our mission to glorify God by developing the whole person. Participation in athletics is a privilege that carries the responsibility of representing Jesus Christ, your family, your team, and SouthLake Christian Academy with excellence in the classroom, in competition, and throughout the community.

CORE VALUES

Student-athletes are expected to embrace and model SouthLake Christian Academy's core values. These values should be evident in every classroom, practice, competition, team event, social media interaction, and community setting.

ACADEMICS

Academic excellence is a priority at SouthLake Christian Academy, and student-athletes are students first. To remain eligible for participation, student-athletes must maintain academic and behavioral good standing as determined by the school. They are expected to complete assignments, demonstrate consistent effort in the classroom, communicate respectfully with teachers, and seek academic support when necessary. Athletic participation may be limited or suspended if academic or behavioral expectations are not met.

CONDUCT

Student-athletes are also expected to uphold the highest standards of conduct by demonstrating honesty, responsibility, self-control, and respect toward coaches, teachers, teammates, officials, opponents, spectators, and school staff. Unsportsmanlike conduct, bullying, harassment, inappropriate language, dishonesty, or behavior that reflects negatively on the individual or the school, including conduct on social media, may result in disciplinary action or suspension from athletic participation as well as at school.

ATTENDANCE

Attendance is an important part of both academic and athletic success. To be eligible to participate in a practice or contest on any given day, a student-athlete must be present for **more than one-half of the school day**, unless an exception has been approved by school administration. Student-athletes are expected to attend practices and competitions consistently, give their best effort, care for school-issued equipment, and support their teammates with encouragement and a positive attitude.

PARENTS & GUARDIANS

Parents and guardians play an essential role in the success of our athletic program and are expected to partner with the school in developing Christ-centered student-athletes. Parents are asked to support the mission and values of SouthLake Christian Academy by encouraging their children, demonstrating respect toward coaches, officials, opponents, and other families, modeling Christian sportsmanship, and addressing concerns respectfully through the appropriate chain of communication.
