

DUAL ENROLLMENT GEMINI, MCC & PLTW

What is the Dual Enrollment Program?

Victor High School offers 3 “Dual Enrollment” opportunities where students have the potential to earn both high school credit and college credit for courses, taught at Victor High School by VCS teachers:

- SUNY/FLCC “Gemini” classes
- SUNY/MCC “College Now” classes
- RIT/Project Lead the Way (PLTW) classes

Why Choose to Register for Dual Enrollment?

Key academic and financial benefits for high school students

Financial Savings (\$\$\$)

Save money on tuition costs while building college credit early in high school.

Admissions Advantage

College Admissions Reps consider successful experience with college-level coursework important in Application Review!

Study Skills

Developing effective study skills in high school is helpful preparation for college-level academic expectations!

Academic Rigor

Preparation for the rigor of college coursework while still in high school relieves stress when adjusting to college!

College Credits!

Key advantages of earning college credit while in high school.

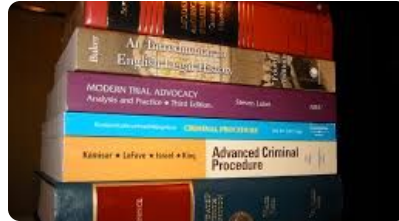

\$ Tuition Savings

Saves money on college tuition costs.

Priority Status

May provide an earlier opportunity to register for classes and for taking advanced classes.

Future Pathways

Allows for earlier access to opportunities such as an internship, study abroad, research, dual major or minor.

Victor Senior High School

College Credit Opportunities at Victor...

What is the difference?

AP

All students who are enrolled in an AP class are expected to take the AP Exam

AP Exam Cost:
\$99 per AP exam

SUNY FLCC/Gemini

No exam required
Your grade is simply based upon classwork, homework, quizzes and tests in the class

SUNY/Gemini Cost:
Victor covers the cost for students who complete the registration process

SUNY/MCC “College Now”

No exam required
Your grade is simply based upon classwork, homework, quizzes and tests in the class

SUNY/MCC Cost:
Victor covers the cost for students who complete the registration process

PLTW

Students who have an 85% or better average each quarter are eligible to take the free RIT exam in May of any PLTW course.

Students receive their exam score in June, but have until November of that calendar year to pay RIT \$240 to have the grade posted to an RIT transcript.

NOTE: If you are enrolled in an AP course that is also offered for Gemini credit, it is recommended that you register for both Gemini and plan to take the AP Exam as well.

V How is College Credit Granted?

After you are accepted and commit to the college of your choice, follow these procedures:

AP Courses

Step 1: Request Scores

It is **your responsibility** to contact College Board to request that your scores be sent to your college at the end of Senior year.

Step 2: Orientation Review

When meeting with your advisor at college orientation, they determine credit based on:

- How high you score on the Exam
- What your intended major is
- Specific college policy for awarding credit

FLCC “Gemini”, MCC “College Now” & PLTW

Step 1: Request Transcripts

In June of Senior year, it is **your responsibility** to visit the FLCC, MCC, or RIT portal to request transcripts be sent to your college.

Step 2: Orientation Evaluation

When meeting with your advisor at orientation, they will evaluate whether the specific course and grade on your transcript satisfy their institution's credit transfer policies.
