Kennedale High School is a four-year public high school located in the DFW metroplex. It is the only high school within Kennedale Independent School District, which serves approx. 3,000 students. KISD covers about a seven square mile radius and includes students from Kennedale and small portions of Arlington. KHS has a long history of academic excellence and provides innovative programs, which meet the needs of our diverse population. Students at Kennedale enjoy a variety of choices for Athletics, Fine Arts, CTE Practicums, UIL Competitions, AP, Dual Credit and On Ramps courses that prepare them for the future.
