Step 2: Know Your Deadlines

- Applications for admission
- Deadlines for scholarships
 - Institutions, Outside Sources
- Free Application for Financial Aid (FAFSA)
 - Schools have priority deadlines

PA State Grant Deadlines

You must complete your FAFSA by the deadline to be considered for the PA State Grant.

- **May 1**—If you plan to enroll in a degree program or a college transferable program at a 2-year private college or other college or university.
- **August 1**—If you plan to enroll in a community college; a designated Pennsylvania -Admission institution; a business, trade, or technical school; a hospital school of nursing; or a 2-year program that is not transferable to another institution.

DON'T MISS THE DEADLINE!

Deadlines Are Crucial

- Make sure you know the priority FAFSA filing deadlines for the schools you are researching.
- File your FAFSA prior to the earliest deadline of your school possibilities.
- Students do not have to be accepted for admission to list any schools on the FAFSA.

Step 3: The FAFSA is Your Connection to Funding

The FAFSA is a federal form used to determine student eligibility for the following:

- Federal programs
- State programs
- School programs

FAFSA (Free Application for Federal Student Aid)

- The FAFSA is the primary federal form for financial assistance to attend a postsecondary school.
- Must file a FAFSA each year a student attends school to be eligible.
- File online—Fast, Secure, SKIP LOGIC and Built-in Edits.
- While filing the FAFSA online is preferred, a printable PDF version is available at **StudentAid.gov**.

[StudentAid.gov/fafsa](https://studentaid.gov/fafsa)

Create Your StudentAid.gov Account

- The student applying for aid and all contributors providing information on the FAFSA need to create a StudentAid.gov Account at StudentAid.gov/fsa-id/create-account.
- Create at least 1 day prior to completing the FAFSA
- Legal signature for student and contributors.
- Users without an SSN will be able to acquire a StudentAid.gov Account.

The screenshot shows the FAFSA 2027-28 interface for a student named Raya Tran. The page title is 'Invite a Parent as a Contributor'. It explains that a contributor is anyone required to provide information on the FAFSA form, and a legal parent is a biological or adoptive parent as determined by the state. It lists two scenarios: if a stepparent or legal guardian has legally adopted the student, they can be invited; if the legal parent is married to someone who hasn't legally adopted the student, they should not be invited, but the legal parent will invite them if needed. The page includes a 'Previous' button and a 'Continue' button.

Invite a Parent as a Contributor

A contributor is anyone who's required to provide information on your FAFSA form. In this section, you must invite a legal parent. A legal parent is a biological or adoptive parent as determined by the state.

So, keep in mind the following:

- If your stepparent or legal guardian has legally adopted you, you can invite them to your form.
- If your legal parent is married to someone who hasn't legally adopted you, don't invite them to your form. When your legal parent fills out their section, they will invite them to your form if needed.

Steps to Apply for a PA State Grant

2. If you pass the pre-screening applicant checks, you'll get an email from noreply@grantus.org to activate your GrantUs account.
3. Review and complete items listed under your Action Items.

The right column has the text "New to the System?" above a blue button labeled "Register".

PA State Grant Application Information

- Visit pheaa.org/StateGrant after completing the FAFSA for more information
- All data corrections (for example, school choice) will need to be made on the FAFSA
 - PHEAA will receive the updated information
 - First school listed on FAFSA is used for PA State Grant eligibility purposes
- FAFSA information will be automatically sent to PHEAA

Step 4: Compare Schools' Financial Aid Offers Carefully

- There is no required standard format.
- If you receive a scholarship, do you know if there are conditions for maintaining it?
- Do you understand what is free money vs money that has to be paid back?

Bottom Line: What are your out-of-pocket costs?

Calculating Financial Need

- Schools and colleges receive FAFSA information and calculate financial need
- Financial Aid Office (FAO) “packages” student based on financial need and available funding (varies from school to school)
- Financial aid offer sent to student

Financial Aid Offer

- Official notification from school about financial aid, terms and conditions
- Lists the type and amount of aid to be received
- Describes what must be done to accept or reject any aid
- Discloses students' rights, responsibilities and academic requirements

Reviewing the Financial Aid Offer

How much of the financial aid is free money?

Which awards are based on need, and which are based on merit?

Are there any conditions on the free money? GPA requirement?

Will awards increase as tuition increases?

Will awards change from year to year?

Will loans be needed?

Step 5: Be Sure You Have The Money You Need

37

- Have you considered annual out of pocket costs **beyond the first year?**
- Do you understand your actual costs?
- Do you have a strategy for handling out of pocket costs?

What School Costs Are Considered?

- Housing and food
- Books, course materials, supplies, and equipment

Low, Fixed Rates
2.78–9.94% ^{1,2} APR

Effective as of 6/4/26

Learn more at pheaa.org/PAForward

1) Annual Percentage Rate (APR) Calculations—The lowest APR is based on the following assumptions: A loan of \$10,000 made in a single disbursement, a borrower who selected an Immediate Repayment Plan and a repayment term of 60 months, monthly payments of \$178.84 and a final payment of \$170.99, a fixed periodic interest rate of 3.06%, and total payments of \$10,722.77. The borrower in this sample qualified for a 0.25% Direct Debit benefit for the entirety of the repayment period and a 0.50% Graduation benefit was applied 47 months into repayment. The highest APR is based on the following assumptions: A loan of \$10,000 made in a single disbursement, a borrower who selected an Interest Only Repayment Plan and a repayment term of 180 months, monthly payments of \$83.17 for 52 months and monthly payments of \$107.34 for the remainder of the repayment term, a fixed periodic interest rate of 9.98%, and total payments of \$23,645.54. The borrower in this sample did not qualify for any interest rate discounts. Less than half-time students may only borrow a maximum of \$5,000 per loan. These APRs are estimates and may differ from the actual rates received.

2) The provided rate range includes Undergraduate, Graduate, and Parent loans and may change based on loan type, loan term, repayment plan, and applicable discounts (not all discounts apply to all loan products). See individual loan programs for more specific information. PHEAA uses applicant credit scores to determine eligibility and interest rates. Higher credit scores may mean an applicant is offered a lower interest rate. Applicants, including co-signers, are subject to credit qualifications, completion of an application and credit agreement, and verification of application information. PHEAA reserves the right to discontinue all programs or benefits without prior notice.
