

Baird Elementary School

Empowering Youth

We are so excited to start another year of Girl Scouts at Baird Elementary! Thanks to our generous donors, our Reaching Out program allows us to offer fun, educational, empowering, and innovative programming to ALL the Girl Scouts at your school. They will learn about many important topics through crafts, interactive games, songs, and other activities. This program is an alternative to traditional troops, enabling more youths to participate in Girl Scouts. Registration is not required for participation but is encouraged. Girl Scouts will receive a prize if they register.

During our 10 week program, we will cover many topics including Art, STEM, Diversity, Community Service, Health & Wellness, Team Building and so much more!

Please encourage ALL kids that identify with the Girl Scout experience in your school to give it a try!

Mission:

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Girl Scout Law:

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do,
And to
respect myself and other,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.

Do More with Girl Scouts

Your child is exploring Girl Scouts at Baird Elementary! With 8–12 fun-filled sessions, your child is getting a first taste of all the fun we have to offer. Ready to take your Girl Scout adventure to the next level?

What do Girl Scouts do?

Groups of Girl Scouts, called troops, typically meet weekly or every other week for an hour or two. Guided by adult volunteers, troop members choose the hands-on activities and projects that excite them, try new things, and cheer each other on. Together, they earn badges to reflect their successes and show the world what they're made of.

You can join a troop already meeting in your area, or start your own.

Every Girl Scout's experience is unique, but these are the activities that we encourage everyone to include in their Girl Scout year:

- **Go on a field trip.** Our troops visit museums, planetariums, farms, and more!
- **Take part in a community service project.** From visiting the elderly to making dog biscuits for an animal shelter, Girl Scouts love to make the world a better place.
- **Enjoy an outdoor outing.** Snowshoeing, horseback riding, hiking—we want everyone to get outdoors and explore nature.
- **Participate in the world-famous cookie program.** It's more than just selling cookies—Girl Scouts learn to set goals, practice money management, and develop skills to run their own business!
- **Attend a family event!** Girl Scouts love it when their family is involved. Many Girl Scout events include fun for the whole family.
- **Explore a STEM activity.** From making slime to building robots, our Girl Scouts love to try out STEM (science, technology, engineering, and math) activities.

For the 2026–2027 membership year,
annual membership dues are \$70.

Finances are never a barrier in Girl Scouting.
For those who may need financial assistance,
it is available to cover the cost of membership dues.

Haz Más con las Girl Scouts

!Tu hijo está explorando Girl Scouts en Baird Elementary! Con 8-12 sesiones llenas de diversión tu hijo tendrá una muestra de toda la diversión que podemos ofrecerle. ¿Estas listo para tomar la aventura de Girl Scouts al siguiente nivel?

¿Qué hacen las Girl Scouts?

Los grupos de Girl Scouts, llamadas tropas, se juntan típicamente cada semana o cada dos semanas por una o dos horas. Guiadas por los adultos voluntarios, los miembros de la tropa eligen las actividades prácticas y los proyectos que les entusiasman, intentan cosas nuevas y se motivan así mismos. Juntos, ganan insignias que reflejan sus éxitos y le demuestran al mundo de lo que están hechas.

Puedes unirte a una tropa que ya se junta en tu área o puedes empezar tu propia tropa.

La experiencia de cada Girl Scout es única, pero estas son las actividades que alentamos a todos a incluir en su año Girl Scout:

- **Ir a una excursión.** ¡Nuestras tropas visitan museos, planetarios, granjas y más!
- **Participar en un proyecto de servicio comunitario.** Desde visitar a los ancianos hasta hacer galletas para perros para un refugio de animales, a las Girl Scouts les encanta hacer del mundo un lugar mejor.
- **Disfruta en una salida al aire libre.** Caminar con raquetas de nieve, montar a caballo, hacer caminatas: queremos que todas las niñas salgan al aire libre y exploren la naturaleza.
- **Participe en el mundialmente famoso programa de galletas.** Es más que solo vender galletas: ¡las niñas aprenden a establecer metas, practicar la administración del dinero y desarrollar habilidades para administrar su propio negocio!
- **¡Asiste a un evento familiar!** A las Girl Scouts les encanta cuando su familia está involucrada. Muchos eventos de Girl Scouts incluyen diversión para toda la familia.
- **Explore una actividad STEM.** Desde hacer limo hasta construir robots, a nuestras Girl Scouts les encanta probar actividades STEM (ciencia, tecnología, ingeniería y matemáticas).

Para el año de membresía 2026-2027,
la cuota anual es de \$70.

Las finanzas nunca son una barrera en Girl Scouts.

Para aquellos que necesitan asistencia financiera,
está disponible para cubrir el costo de las cuotas de membresía.
