Committee: Title VI Indian Parent Committee **Date: June 30, 2026**
Location: Virtual
Notes: Curtis Goodsky, audio recording, OtterAI

The meeting was called to order at 5:09 PM.

Roll call:

Present: Teague Goodsky (Chair, Parent), Allie Tibbetts (Vice Chair, Parent), Amber Greensky (Treasurer, Parent), Curtis Goodsky (Secretary, Parent), Donald Melton (Parent), Marisa Garverick Herrera (Director of Advancing Equity, interim American Indian Ed coordinator), Brenda Goldfine (District Employee, Teacher Representative), Jennifer Murray (Observing). Not Present: Keela De La Cruz (Parent, Committee member).

Meeting Minutes-

The Title VI Indian Parent Committee Meeting discussed several key issues. Teague Goodsky and others expressed concerns about the district's data request process, particularly for Title VI and AIPAC committees regarding a follow up of the August 13th data request from 2025. Several school district representatives (Brenda, Marisa) requested to streamline data requests due to pending budget cuts and decreasing staff and resources. Jennifer Murray requested idea of creating a shared data document with the ability to select for individual factors. Marisa referred to Tribal Consultation for most recent data- but stated she would be happy to put this data into a separate document as well. The committee also debated the Language Revitalization Grant, highlighting the need for better support for Misaabekong teachers and students. They reviewed the Achievement and Integration Plan, focusing on goal clarity and student outcomes, particularly in college-level courses. The meeting concluded with a plan to review data and provide feedback on the integration plan, emphasizing the importance of comprehensive support for American Indian students. The Title VI Indian Parent Committee Meeting focused on organizing and approving meeting minutes from May 7, with 4 voting in favor of adopting meeting minutes and 1 abstention. The committee discussed the need to transfer documents to the Title VI drive. The next meeting was scheduled for September 30, from 5-7 PM, with a potential in-person location at the First Street Office of Equity. Marisa emphasized the importance of using the district's link for virtual meetings for security and accessibility, and committee chair expressed continued concern with using district link, due to repeated issues with participants being able to attend virtual meetings in past. They also planned to review the previous program plan and prepare for the annual performance report due in September or October.

The meeting was adjourned at 6:56 PM.
