High School PE/Health Teacher

The ISB Educator Profile

ISB educators embody key attributes integrated with our core values to create a vibrant, inclusive learning community. They are **adaptable** professionals who thrive in dynamic environments, remaining flexible and ready to pivot to meet the evolving needs of our students. As true **collaborators**, they view education as a shared endeavor—actively co-planning, co-teaching, and building strong relationships with colleagues and families. They serve as **optimistic problem solvers** who approach every challenge with a positive outlook, turning obstacles into opportunities for innovation and growth. Above all, their practice is **student-centered**, ensuring that all pedagogical and design choices are rooted in student learning and well-being. Ultimately, ISB educators embody our mission by demonstrating curiosity, courage, and empowerment in their lives, work, and professional growth.

ISB's ideal candidate combines deep subject expertise and strong pedagogy with humility, drive, and a positive disposition for supporting young learners.

We Believe

At ISB, we believe that education is a dynamic, creative, and collaborative human endeavor. We are seeking a passionate High School PE/Health teacher to join our faculty and help students explore, investigate, and make sense of the world.

Our vibrant school environment thrives on the energy and dedication of our faculty. We seek educators who navigate diverse teaching responsibilities with ease and work closely with students, families, counselors, and administrators to foster a rich community of inquiry. Our teachers bring curiosity, creativity, and a commitment to collaboration to their work, designing meaningful learning experiences that support students' academic, social, and emotional growth.

Beyond the classroom, our educators support students in co-curricular programming, trips, activities, performances and are available to support and celebrate their growth and development as they strive to reach their full-potential.
