WHAT IS TITLE I?

Lakeview Primary is identified as a Title I school as part of the Elementary and Secondary Education Act of 1965 (ESEA). Title I is designed to support State and local school reform efforts tied to challenging state academic standards to reinforce and enhance efforts to improve student teaching and learning. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop a written parental involvement policy with all parents.

SCHOOL PLAN FOR SHARED STUDENT ACHIEVEMENT

What is it?

This plan describes how Lakeview Primary will provide opportunities to improve parent engagement to support student learning. Lakeview Primary values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes how Lakeview Primary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Lakeview Primary invited all parents to provide input and suggestions through a survey last spring to review and revise this parental involvement policy, as well as the schoolwide plan, our school-parent compact, and the parental involvement budget. Parent input and comments are welcome during the school year. The plan is posted on our school website for feedback throughout the year. All feedback received will be used to revise the plan for the next school year. Parents can also give feedback during several parent meetings and activities during the school year.

Who is it for?

All students participating in the Title I, Part A program and their families are encouraged and invited to participate fully in the opportunities described in this plan. Lakeview Primary will provide full opportunity for the participation of parents with limited English, parents with disabilities, and parents of migratory children.

Where is it available?

At the beginning of the year, the parent handbook and plan are posted on the website.

PARENTAL INVOLVEMENT

Lakeview Primary believes that parental involvement means the participation of parents in regular two-way and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school.
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in their child's education.

Lakeview Primary is committed to helping our parents attend this plan's parental activities. Please call if you need assistance with childcare to participate in our programs.
