WHAT IS SAC?

The purpose of the School Advisory Council is to assist in the preparation, implementation, and evaluation of the School Improvement Plan (SIP) and to support school improvement efforts in accordance with Florida Statute 1001.452 and Pinellas County Schools Policy 2125. The SAC serves as an advisory body to the principal and promotes shared decision-making, collaboration, and communication among school stakeholders.

Who Serves on SAC?

- Principal
- Parents
- Teachers
- Educational Support Employees
- Business/Community members

A majority of members must not be employed by the District. Elementary school SAC's do not include student representatives. **Our SAC membership should reflect the ethnic, racial, and economic diversity of the Jamerson community.**

What Does SAC Do?

Supports the School Improvement Plan (SIP)

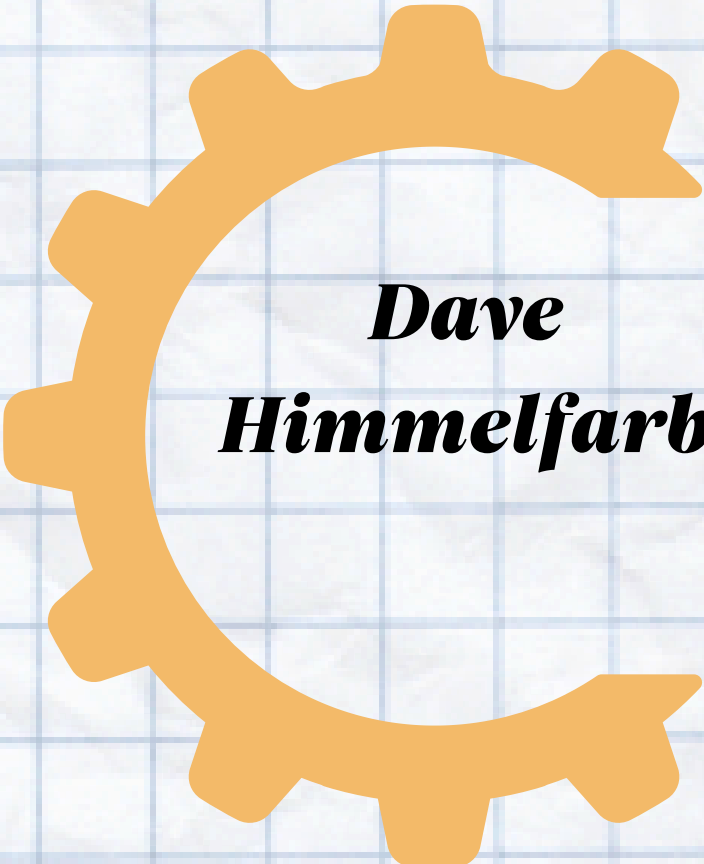

Helps develop, review, monitor, and evaluate the SIP. Members review school data, identify needs, discuss priorities, and monitor progress toward our goals.

Provides a Voice for Our School Community

Promotes communication and collaboration among families, staff, administration, and the community.

SNACK SIGN UP

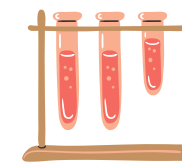

Who are SAC VOTING MEMBERS?

Only SAC Memembrs can Vote

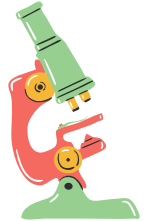

SAC meetings are open to the public, but voting authority belongs specifically to SAC members.

A quorum must be present to vote.

A quorum is a majority of the SAC membership, and that quorum of voting members must be physically present. Once the in-person quorum is established, additional members may participate and vote virtually

Voting members represent the school community

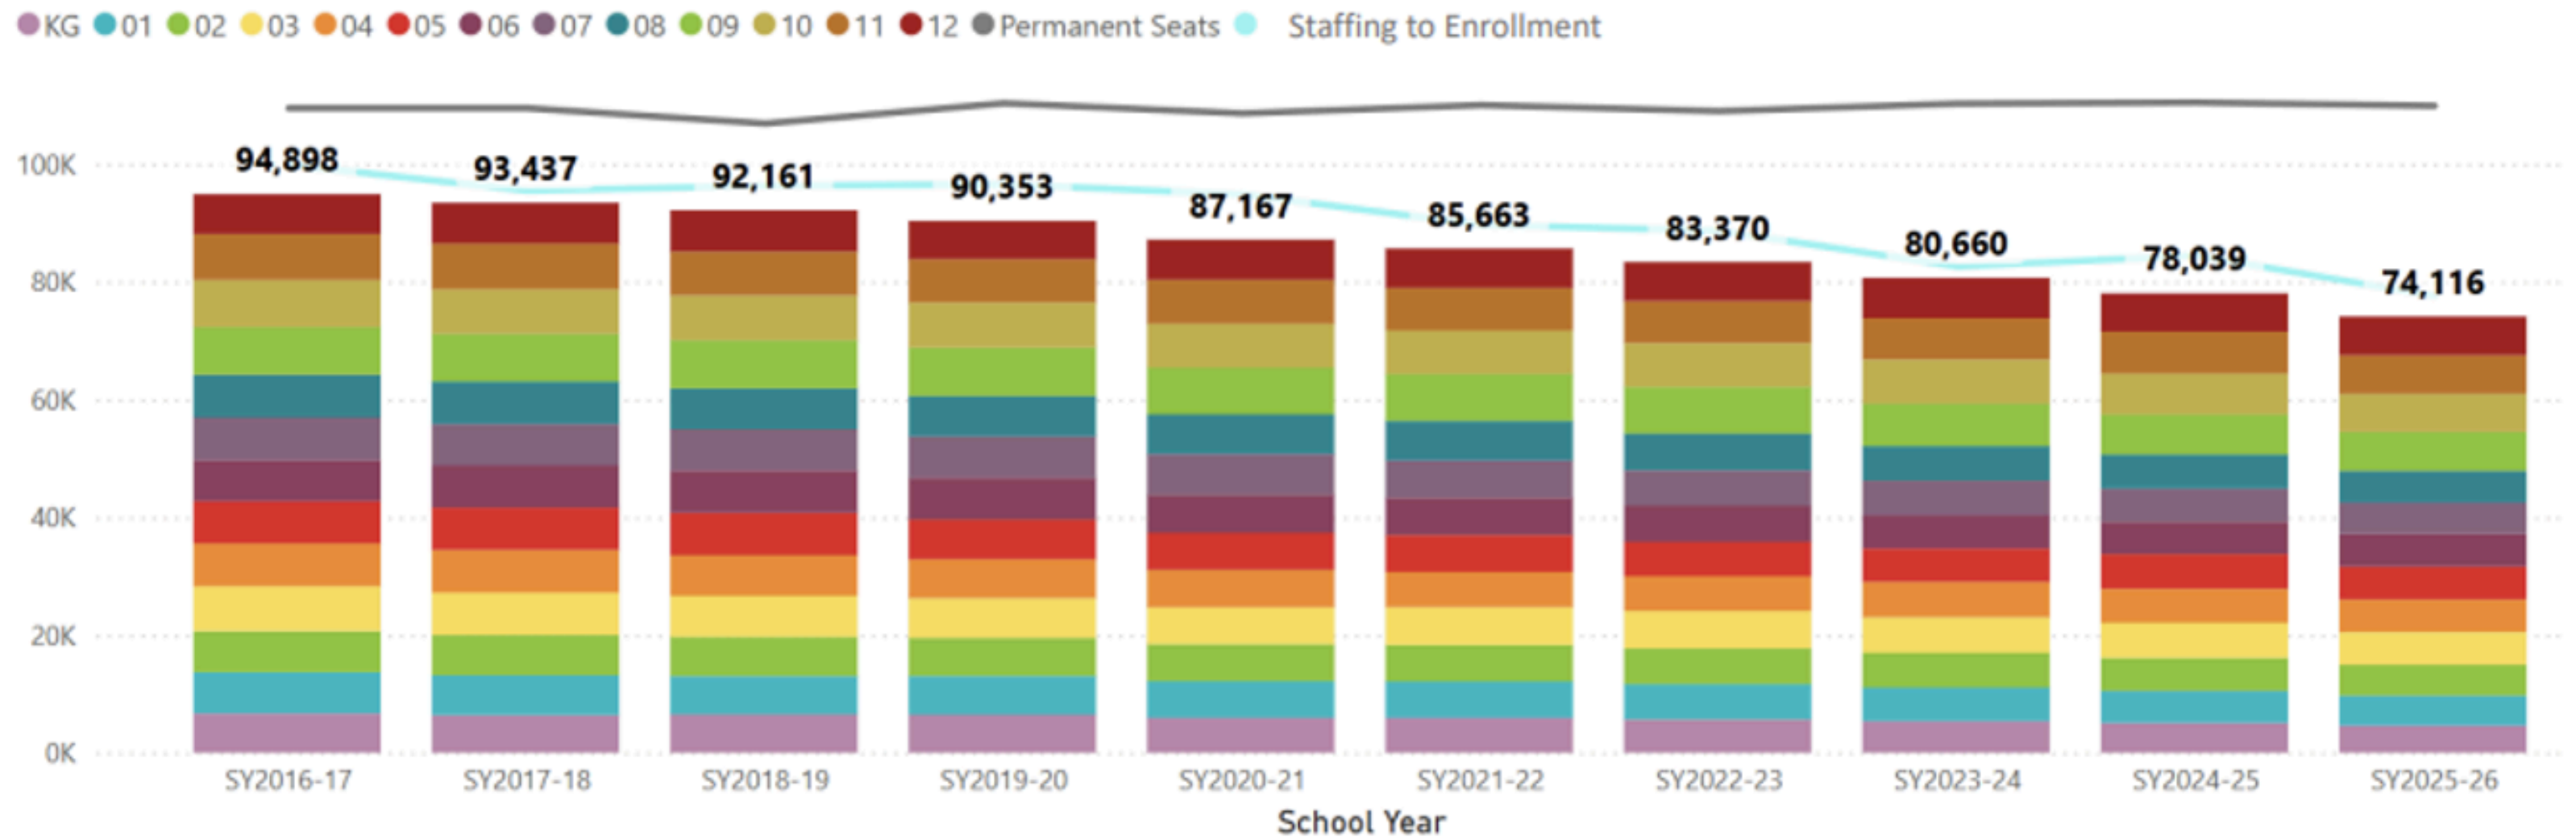

SAC includes parents, staff, community members, and the principal, with a majority of members not employed by the District.

SIP GOALS

Gears for Success

- 
-  **Benchmark-Aligned Core Instruction**
(DLJ Instructional Framework)
How we teach.
 -  **Real-Time Monitoring and Tracking for Responsive Differentiated Instruction**
How we respond when students learn differently.
 -  **Positive Learning Environment**
How we create conditions for learning.
 -  **STEM Goal: Jamerson Design Process**
How we bring our Magnet identity to life through authentic STEM experiences.

What would you hope to SEE or HEAR from students, teachers, or families if Jamerson is doing this well?

POSITIVE BEHAVIOR GOALS

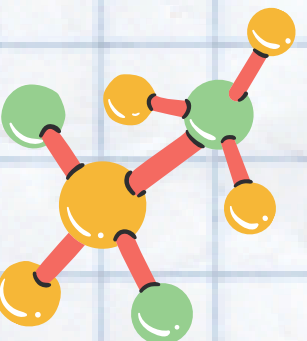

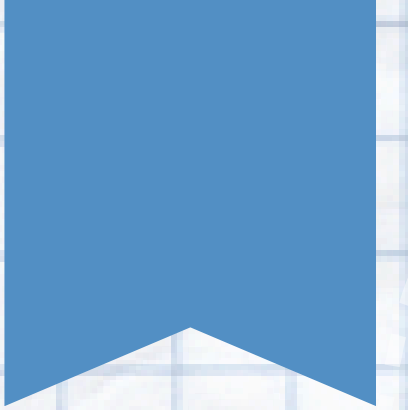

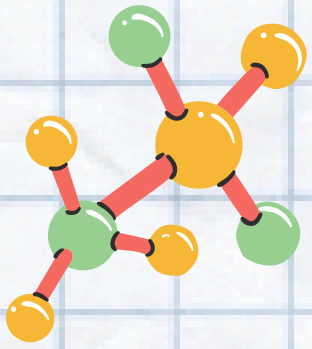

During the 2025–2026 school year, the Black student referral risk ratio decreased from 4.66 to 3.54, reflecting progress toward reducing disproportionality.

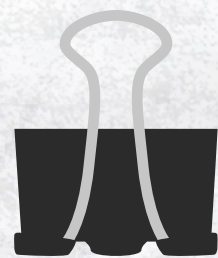

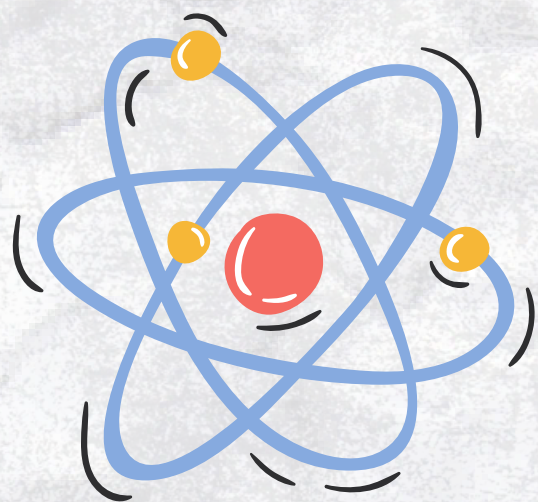

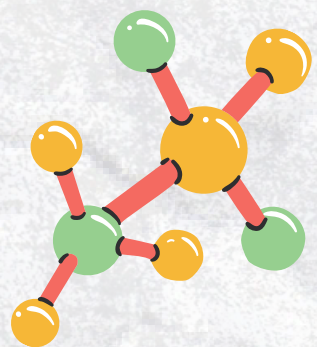

For the 2026–2027 school year, the school will continue to strengthen positive behavior supports by:

- reducing the Black student referral risk ratio from 3.54 to 3.0 or below,
- Increasing the classrooms demonstrating consistent implementation of DLJ expectations (PBIS) and conscious discipline to 95% as measured through classroom walkthroughs.
- increasing student-reported feelings of safety and belonging on the PCS student survey, and
- increasing the percentage of Tier 2 and Tier 3 behavior plans that are implemented and progress monitored with fidelity.
