TO: Parents/Guardians of Students
in Bellevue Public Schools

Each year Bellevue Public Schools is required under federal law to conduct a "First Count" on a specified date. The "First Count" is an actual form that parents/guardians are asked to complete for every child enrolled in the Bellevue Schools. These forms are then used to determine Bellevue's eligibility and funding through the Impact Aid Program. Impact Aid is a federal program that provides funding to local school districts as a result of the presence of a federal installation. The information you provide on the form is confidential and will only be available to school and federal officials.

We appreciate your assistance in helping us secure federal dollars that directly support the District's annual instructional needs. If you have questions, please don't hesitate to contact your school principal or the District Office.
