4. Attendance:

- Students must be present in class to receive their daily points
- Students will be given 4 minutes before class and 5-10 (to teacher discretion) minutes after class to change. If they are late to class beyond those 4 minutes, they will be marked with an unexcused tardy. If students leave class without being dismissed, they will also be marked unexcused tardy.

- Students who cannot participate due to medical injury or illness **must have a doctor's note** and make up their absences.
- If absences are not made up within that time frame, they will be graded as zero and will not be given credit.

Make up work: There will be several options for make-up work**:**

- Students can record themselves completing a 60-minute time-lapse video and submit it to schoology.
- Time-lapse workouts include but are not limited to:
    - Walking, jogging, running
    - Body weight strength training, lifting weights
    - Yoga, Pilates
    - Sport Activities: Playing basketball, shooting pucks, tennis, etc.
    - Lifetime activities: rollerblading, golf, jumping on a trampoline
- Students can also utilize "WIN" sessions to complete make-up work. Each WIN session is 20 minutes, students will need to complete 3 WIN sessions for a total of 60 minutes to make up 1 absence.
- Students can also utilize after school weightlifting and cardio room.

******Athletic Practices do not count as make-up work. The workout must be completed outside of organized sports. ******

Athletics will not count as PE make-ups because we are teaching to the National PE standards which are different than the goals of athletics. The emphasis of high school physical education is to expose students to lifelong physical activity and therefore we diversify the kinds of activities we teach on a weekly basis. We also want to expose them to social emotional diversity, teamwork, and collaboration with diverse people.
