

Understanding Addiction and Recovery

A 6-WEEK COMMUNITY EDUCATION SERIES

TUESDAYS
7:00–8:00 PM

**OCT 20 –
NOV 24**

A free community education series to build understanding, reduce stigma, and support healthier responses to addiction and substance use disorders.

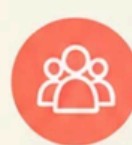

What addiction looks like
and what it is not

Signs & symptoms
of use disorders

The science
of addiction
and recovery

How addiction
impacts families &
communities

How to respond
to someone who may
be struggling

Local resources
and pathways
to help

Who Should Attend

Community members, parents, caregivers, educators, professionals, and anyone seeking a clearer understanding of addiction.
