CAMPUS SECURITY AND SAFETY PROGRAM

Hacienda La Puente Adult Education does not have student housing facilities, student organizations with non-campus locations, but does have District Police Department and partnership with Industry Sheriff's. The HLPUSD Police Department and Industry Sheriff's Department are the primary respondent for all campus emergencies and all reports of criminal activity on the HLP AE campus and on public property within or immediately adjacent to and accessible from the campus. The Industry Sheriff's Department has the authority to make arrests and to conduct investigations of alleged criminal offenses. The Clery Act requires the reporting of violent crimes, burglary, and motor vehicle theft, as well as a summary of arrests and disciplinary referrals for liquor law, drug abuse, and weapons violations.

Hacienda La Puente Adult Education have security personnel available on-site throughout the morning, afternoon and evening sessions. In addition the HLPUSD Police Department Officers that patrol and investigate incidents seven days a week during the morning, afternoon and evening session meeting times. One (1) security assistant and Night Program Administrator are available in the evening to oversee the significantly smaller class sizes for the CTE programs hosted on-campus. They are available to assist school administrators with campus emergencies and/or reports of criminal activity on their respective campuses.

HLP AE has cameras located throughout the campus in strategic locations that help provide a live feed of what occurs to help bolster the safety on-campus. The security feed is streamed directly to different screens inside the HLP AE Adult Education Main Administrative Office. The cameras operate 24 hours per day, 7 days a week, 365 days per year. Classroom areas and restrooms are open to students from 8 a.m. to 8:30 p.m., Monday through Thursday, and 8 a.m. to 4:00 p.m. on Fridays. Hacienda La Puente Adult Education Administrative Office is open from 8 a.m. to 7:30 p.m., Monday through Thursday, and 8 a.m. to 4:00 p.m. on Fridays. The Administrative Office is closed on weekends. All other areas on campus require keys to gain access. All Hacienda La Puente Adult Education students are always required to wear photo ID Badges while on campus. Staff members are always also required to wear name badges or photo ID badges.

The Sexual Assault & Violence Education (SAVE) and Violence Against Women Act (VAWA) laws include reporting requirements regarding incidents of intimidation, stalking, domestic violence, dating violence, sexual assault and hate crimes. It is HLP AE's policy to notify the Industry Sheriff's Department when such incidents are brought to HLP AE administration's attention and for them to implement investigational procedures. All crimes committed by a student or staff member can result in immediate dismissal from HLP AE.

CAMPUS CRIME PREVENTION

Throughout the academic year, HLP AE holds various crime prevention and security awareness programs to inform the students and employees about the campus security procedures and practices. The types of programs provided typically include: crime prevention information presented through in-class presentations and online resources.

Information regarding domestic violence, dating violence, sexual assault and stalking is also available in the Administrative Office and Financial Aid Office. Resources regarding domestic violence, sexual assault, stalking and mental health services can be obtained in the Main Administrative Office and Financial Aid Office. Anonymous help and mental health referrals can be obtained by students and staff through the HLP AE Pupil Personnel Services credentialed counselor.

During the student orientation session and new employee orientation, students and faculty discuss services offered by HLP AE, HLPUSD, and the Industry Sheriff's department. Information on campus crime and sexual assault prevention strategies is included. Students are required to wear photo ID badges and are notified that security cameras monitor activity on campus. The common theme of all awareness and prevention programs is to encourage students and faculty to be aware of their shared responsibility with HLP AE for their own security and the security of others. Students are always encouraged to look out for themselves and for one another.

During the first days of each new program start, an instructor reviews the steps for reporting on campus crimes and emergencies with incoming students. They also address safety, security and the reporting of classroom emergencies. Hacienda La Puente Adult Education maintains a Comprehensive School Safety Plan (CSSP) as required by Education Code 32282-32289. The contents of the CSSP include at a minimum, information assessing the status of school crime committed on campus and at school-related functions, strategies and programs that provide or maintain a high level of school safety, and procedures for complying with existing laws related to school safety. Active shooter training is provided to HLP AE's faculty and staff and have participated in two Active Shooter drills each year with support from HLPUSD District Sheriff's. National tragedies remind us that the threat of an active shooter is real and increasingly prevalent in our society. HLPUSD's Board of Education, District Sheriff's and administrators believe that taking proactive steps now, can help staff react quickly and effectively if a threat were ever to present itself on our campuses. A comprehensive active shooter training for our school staff that included but was not limited to the following: An in-depth discussion how to prepare, survive, and be safe after an action shooter incident and Active shooter training videos.

DISASTER PREPAREDNESS

The Hacienda La Puente Unified School District has adopted and implemented a district-wide emergency plan that adheres to the guidelines as set forth by both the state (SEMS) and federal (NIMS) requirements.

The objectives of the plan are the following: 1. To protect the pupils, employees, and facilities during emergencies that occur when school is in session and to establish appropriate plans for various emergencies. 2. To cooperate with local authorities in serving the community following a major disaster. 3. To inform pupils, parents, and the public of current emergency concepts and practices, and ensure that instruction is given in the schools of the District. HLP AE updates and revises the Comprehensive School Safety Plan annually through a systematic planning protocol. The key elements in our plan includes to assure each student a safe physical environment, provide each student with resiliency skills, and assure each student a safe, respectful, accepting and emotionally nurturing environment. Understanding of school procedures relating to school safety, Emergency Response Plan Prior and Comprehensive School Safety Plan. HLP AE administration seeks input from HLPUSD District Sheriff's, Industry Sheriff's, Office of the Superintendent, and the HLPUSD School Board.

Each campus maintains informational charts, signs and maps, which are posted on a safe wall in each classroom and office. This information provides specific direction to threats and emergencies that may arise.

School administrators, office managers, campus security, Allied Health Office, Financial Aid Office and custodial staff all have access to radios set to a common channel for effective communication and emergency supplies.

EMERGENCY NOTIFICATION

HLP AE maintains the ability to notify the campus community in the event of an existing emergency through several methods. When it is determined by the local authorities that an emergency exists, the authorities will notify the Office of the Superintendent or Superintendent's Designee - Assistant Superintendent, Executive CTE Director, CTE Director or designated site administrator. The Emergency Response Plan will be implemented by the Assistant Superintendent of Secondary Education. The Superintendent and Sheriff's Department will determine if the emergency requires the immediate notification of the campus community. If it is determined that the campus should be notified because of an

immediate threat to students or staff, the Superintendent or Assistant Superintendent will, without delay, activate one or more of the notification systems described below: 1. On Campus Public Address System: This system has the ability to notify the campus through the use of loudspeakers which are located on campus.

2. Employee Email: Messages can be sent to all employees who are listed as email recipients. 3. Email: Messages can be sent to all individuals who are listed as email recipients within the student records management database - ASAP 3.0 system. 4. Sheriff's Notification: Sheriff's will deliver messages through radios located in each sheriff's vehicle when available on campus. 5. Local Media: This is handled through the HLPUSD Office of the Superintendent. The Public Relations Coordinator will address all media such as radio, television and newspapers. Situations for which emergency notifications will be used, may include but are not limited to: 1. Potentially life-threatening situations (including those that may exist near or around the campus boundaries) such as an active shooter, intruder on campus, bomb threats, or extreme weather (fire, floods, etc.) 2. Disasters, natural or otherwise: Earthquake, tsunamis, aircraft crashes, biological hazards or pandemics. In the event of an emergency, mass notification of students and employees is currently made by accessing the following: Employee Email: Messages can be sent to all employees who are listed as email recipients. Email: Messages can be sent to all individuals who are listed as email recipients within the student records management database - ASAP 3.0 system. When the Industry Sheriff's/HLPUSD Sheriff's Chief or official designee decides that the emergency no longer exists, an "all clear" message will be sent using one or more of the above systems directed to all students, staff and visitors. Follow-up information is provided, as needed, to the community, by the administrator on duty, HLPUSD Office of the Superintendent or law enforcement agents. All systems are maintained regularly and routinely tested to ensure compliance and reliability.

Evacuation procedures and routes are listed in each classroom and building. Students are required to familiarize themselves with the evacuation procedures in each of their classes, as well as common areas.

The Industry Sheriff's Department is notified in the event of an incident of a criminal nature. Crimes in progress and other emergency situations in are to be reported directly to the Industry Sheriff's Department by dialing 9-1-1. Non-emergency notifications should be reported to the HLPUSD Police Department at (626) 330-3322. A school administrator should always be notified of any emergency and/or non-emergency situation as well.

"Alert" procedures are implemented during the following types of crisis: chemical accident, hazardous material spill, nuclear attack, aircraft accident, pesticide exposure, air quality advisory, or earthquake.

Campus Lock Down is a procedure used when an unauthorized or aggravated person is on campus. An Intruder on Campus Lock Down secures staff and students by limiting access to the school classroom, offices, and other buildings. As part of this procedure, everyone must remain inside until the situation has been declared safe and given the "All Clear" signal by an authorized person (e.g., the CTE Director, site administrator or a law enforcement officer).

Campus Lockout procedures are implemented to prevent unauthorized persons from entering the school premises and is commonly used when the threat is general, or an incident or criminal activity is occurring in the immediate area of the school. This procedure allows school activities to continue as normal during the outside disruption. Either the school site or notification by local law enforcement can initiate a lockout.

Evacuation procedures are implemented under the following types of crisis: fire, earthquake, flood, or utility failure.

Pursuant to Education Code 32286, specific detailed information regarding HLPAE's Comprehensive School Safety Plan and security policies is available on the following HLPUSD website: www.hlpschools.org.

Upon request, a hard copy of these documents is also available in the HLPAE Adult Education Main Administrative Office and the Financial Aid Office located at: 14101 E. Nelson Avenue, La Puente, CA 91746.

TIMELY WARNINGS

If a Clery Act crime occurs and represents a serious or continuing threat to students and employees, HLP AE administrators will immediately notify the Industry sheriff's department and HLPUSD District Police. The first responders to the scene are usually the sheriff's and emergency personnel. They will respond and work together to manage the incident. Depending on the nature of the incident, other departments and other local or federal agencies could also be involved in responding to the incident.

Upon verbal or written confirmation (by law enforcement, emergency personnel or school staff) of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees on the campus, the administrator on duty, designee, or sheriff's department will immediately notify the campus community via a public address system and e-mail messaging. The content of the notification is as follows, "This is a lockdown or lock out." or "Evacuate the building. This is not a drill." In the event of an actual emergency, all students, employees, and visitors will be directed to a safe location, by local sheriff's officers or emergency first responders. When additional resources are needed, school administrators and staff will assist with this process.

If it is determined that the emergency is of enough gravity as to require either a lockdown, lockout, or evacuation, the administrator on duty or designee will "without delay", (taking into the account the safety of the community) determine the content of the notification and begin the notification process. This is the case, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

All HLP AE employees receive training in responding to critical incidents on campus. Annual drills are conducted by the HLP AE Administration to test the effectiveness of procedures outlined for emergency evacuations and intruders on campus. HLP AE Administration of Student Services schedules all drills and coordinates with the sheriff's department and site administrators throughout the drill process. District Police logs all responses, reviews school site performance, and presents any findings during a debriefing meeting conducted with each site administrator. Follow-up activities are provided for participants to obtain feedback. Information detailing both procedures is published each year, in adherence to Clery Act compliance efforts. Instructors provide incoming students with information regarding the location of emergency exits in the buildings, as well as, the direction they should travel when exiting the facility during a short-term building evacuation. Additionally, scheduled fire drills provide all occupants with opportunities to practice drill procedures and familiarize themselves with the location of exits and the sound of the fire alarm.

The Industry Sheriff's Department is responsible for issuing timely warning notices. If a situation arises (either on campus or off-campus) that, in the judgment of Industry Sheriff's and District Police, constitutes an ongoing or continuing threat, a campus-wide "timely warning" will be issued. The warning will be issued via HLPUSD Office of the Superintendent, campus websites and through loudspeaker page messages depending upon the sensitivity and time factors. CRIME STATISTICS AND CRIME LOGS Crime statistics are reported pursuant to guidelines specified in the Jeanne Clery Crime Disclosure Act and as defined under the FBI Uniformed Crime Reporting procedures. Crime statistics for Hacienda La Puente Adult Education can be found on the Department of Education's website at <https://ope.ed.gov/campussafety/#/institution/details>.

These statistics are collected from the HLPUSD District Police Department, CTE Director of Financial Aid, Facilities Administrator and CTE Director. The HLPUSD Police Department then reports them on-line according to the directives of the United States Department of Education. A monthly crime log is available for review, upon request. The CTE Director of Financial Aid, CTE Director and Financial Aid and Facilities Administrator are responsible for collecting this data. Students, prospective students and employees may contact the HLP AE Adult Education Main Administrative Office to access this information.

For more information regarding campus security or crime statistics, please contact CTE Director Paul Goins, CTE Director or Jorge Seccia Program Administrator at (626) 934-2801.

CRIME COLLECTING AND REPORTING PROCEDURES

Students, faculty, and staff are strongly encouraged accurately and promptly report all crimes to local law enforcement. Any suspicious activity of a person seen in the parking lots or loitering around vehicles, or inside the building should be reported to the local law enforcement agency. HLPAGE does have HLPUSD Police Department, and each year reviews its crimes logs maintained by the department and requests the Clery Act crime statistics from the Industry Sheriff's Department in accordance with the campus geography. The emergency contact number is 9-1-1. The contact number for the Industry Sheriff's Department is (626) 330-3322. In addition, students, faculty, staff and other members of the community should report a crime to the HLPUSD Police Department and HLPAGE Administration for making timely warning reports and the annual statistical disclosure. CTE Director Paul Goins, CTE Director (626) 934-2801 and/or Jorge Seccia Program Administrator

It is the policy of Hacienda La Puente Adult Education to provide prompt, sensitive and confidential service to all members of the campus community who may require assistance.

The following procedures have been established for victims or witnesses to report crimes on a voluntary, confidential basis for inclusion in HLPAGE's crime statistics. If you are the victim of a crime, or if you need to report a crime, please report the incident as soon as possible to an instructor or HLPAGE administrator. If you witnessed a crime, note the description of the person(s) committing or assisting along with any automobile information such as make, model, and license plate number, along with direction of travel. To report a crime or an incident that you do not want reported to the Industry Sheriff's Department, you should contact the HLPUSD Police Department, CTE Director or Financial Aid Program Administrator. It should be noted that this staff member must report any crime listed in the Clery Act to the reporting office. The report will be written to ensure the anonymity of the victim, while taking steps to ensure the future safety of the campus community. This information allows the CTE Director and/or Financial Aid Program Administrator to keep an accurate record of the number of incidents involving students, determine if there is a pattern of crime with regard to a particular location, method, or assailant, and alert the school and community of potential danger.

PROCEDURES FOR CONFIDENTIAL REPORTING

Victims of crime may not want to pursue action with the school or the criminal justice system and may still want to consider making a confidential report. With permission, the CTE Director, Financial Aid Program Administrators or a designee of the school can complete an incident report detailing the incident without revealing the victim's identity. HLPAGE's administrative staff verbally encourages all victims to report crimes. The purpose of confidential reporting is to comply with the wish to keep matters confidential while taking measures to keep the campus community safe. Statistics, from reports filed in this manner, are counted and disclosed as part of the annual crimes statistics.

HLPAGE does not have reporting procedures that encourage pastoral and professional counselors to inform the persons that they are counseling to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics.

TO REPORT AN EMERGENCY

Emergencies are unexpected events that must be dealt with urgently to protect the health and safety of others. Emergencies may be related to natural disasters such as earthquakes, criminal activity such as armed robberies, environmental disasters, or highly contagious health concerns.

The campus community is obligated to report all unsafe activities, potential and real emergencies, and/or criminal activities to the CTE Director or Financial Aid Program Administrator as soon as possible. The following guidelines are as follows: When reporting emergencies by telephone, call (626) 934-2801 and ask for the administrator on duty. Please state your name, telephone number, and location. Give clear and accurate information. Be prepared to supply suspect and vehicle descriptions and the direction of travel. Please do not hang up until you have provided the office staff or site

administrator on duty with all the information that they request. If you find yourself on-campus when you need to report an emergency, any HLP AE Main Office staff can assist you in connecting you with the administrator on duty. Based on the nature of the report, you may be asked to provide a statement for accurate reporting purposes.

This includes reported incidents of domestic violence, dating violence, sexual assault, or stalking. Witnesses, as well as, victims are encouraged by HLP AE to report crimes on a voluntary, confidential basis for inclusion in the school's crime statistics.

Sanctions: Student: If a student is found guilty of committing a sexual offense, they will be dismissed from school. **Employee:** If a determination is made that an employee is guilty of committing a sexual offense, the district may take disciplinary action, including suspension and dismissal, in accordance with law, board policy, administrative regulations and/or collective bargaining agreements. The Superintendent or designee shall seek legal counsel in connection with either the suspension or dismissal of the employee. What to do if you are sexually assaulted

If you are a victim of a sexual assault at HLP AE, your priority should be to get to a place of safety. You should then obtain necessary medical treatment. HLP AE strongly advocates that a victim of sexual assault report the incident as soon as possible. Time is a critical factor for evidence collection and preservation.

An assault should be reported directly to the Industry Sheriff's Department 911 or (626) 330-3322 and/or to the CTE Director, Financial Aid Program Administrator or administrative designee (626) 934-2801. Filing a sheriff's report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions. However, reporting is at the victim's discretion.

Filing a sheriff's report will: • Ensure that a victim of sexual assault receives the necessary medical treatment and tests at no expense to the victim; • Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam); and • Ensure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention. The CTE Director, Financial Aid Program Administrator, or administrative designee will assist the student in notifying the authorities (if the student requests) and can refer the victim to a non-related, outside counseling service such as a local rape counseling center.

Sexual Assault Disciplinary Action

The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system. To initiate disciplinary action against a student or employee for sexual assault, a report must be made to the CTE Director. The following disciplinary procedures will be conducted in cases of an alleged sex offense: • HLPUSD Police Department will delegate a representative to provide a prompt, fair, and impartial investigation of the specifics in the case, interview the accuser and accused, and any witnesses. • The representative will have received annual training on the issues related to sexual assault and how to investigate and hearing process that protects the safety of victims and promotes accountability. • HLPUSD Police Department will conduct a meeting during which the accuser and the accused are entitled to participate and have the option of one person who has no formal legal training to accompany them throughout the meeting. • If warranted, HLPAE may contact the local sheriff's to assist in the process. • HLPUSD Police Department and District Office, will be contacted to assist with the final determination with respect to the alleged sex offense and any sanction that is imposed against the accused. • Both the victim and accused will be receiving simultaneous notification, in writing, of the outcome of any meeting and any available appeal procedures. • A student found guilty of sexual misconduct could be suspended from school, recommended for expulsion, referred for other appropriate actions, and may be criminally prosecuted, per HLPUSD policy. • Any district employee accused of abusing, assaulting or neglecting a student may be subject to appropriate disciplinary action pending the outcome of an investigation by the appropriate agency. If a determination is made that an employee has committed any crime, the district may take disciplinary action, including suspension and dismissal, in accordance with law, board policy, administrative regulations and/or collective bargaining agreements. The Superintendent or designee shall seek legal counsel in connection with either the suspension or dismissal of the employee.

Prevention and Awareness Programs

Hacienda La Puente Adult Education is committed to providing services, resources and support to the victims of sexual assaults, domestic violence, dating violence and stalking. HLPAE explicitly prohibits these crimes. Any sexual assault or physical abuse, including, but not limited to, rape whether committed by an employee, student or member of the public, which occurs on District property, is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures. Students, faculty, and staff who may be victims of sexual and other assaults shall be treated with dignity, respect, and be provided with comprehensive assistance.

Information to educate students and employees and promote awareness about domestic violence, sexual assault, dating violence, date rape and stalking is available in the HLPAE Adult Education Main Administrative Office. In addition, there is referral information/literature about date rape, risk reduction, and sexual assault available to students and employees. This literature is in the HLPAE Adult Education Main Administrative Office.

Anonymous help and mental health counseling referrals can be obtained through HLPAE administrator of counseling. Employee assistance referrals are available through the HLPUSD Department of Human Resources. HLPAE's primary concern is the safety of the survivor and campus community. Risk Reduction and Prevention Awareness Campaign for Students and Employees • Walk with friends or with others to and from the parking lot areas. • Be aware of your surroundings. • Do not focus/text on your cell phone when walking. • Have your car keys ready. Do not focus on searching through your purse or backpack. Check your backseat before entering your vehicle. • Do not pick up unknown persons to give them a ride to their parking space. • During the early stages of dating, consider dating with a group of people you know. Have a preplanned signal to let your friend know that you want to leave or need help. • Communicate clearly and often to your partner. It's never too late to say "No." • Don't be embarrassed or ashamed to say "No" or ask someone to stop. • Verbalize your expectations with your date. Talk about boundaries. • Trust your instincts. Guard your personal space. If someone makes you feel uncomfortable, remove yourself from the situation. Bystander Intervention

Bystander intervention focuses on helping individuals understand and become more sensitive to crimes of sexual assault, domestic violence, dating violence, and stalking by providing prevention and interruption skills.

The bystander role includes:

- Recognizing and interrupting situations of potential harm
- Understanding conditions that facilitate violence
- Intervening to prevent an assault before it happens.
- It involves speaking out against social norms that support sexual assault, domestic violence, dating violence, and stalking. The following bystander strategies may be utilized:
- If bystanders notice an incident taking place, they should contact the sheriff's immediately.
- Assume responsibility. Be ready to intervene, even if others do not.
- Speak up if you see someone leaving with a person, he/she knows is drunk.
- Attempt to help. This may include helping a person to leave a situation, confront a behavior, diffuse a situation, or call for other support.
- Approach everyone in a respectful manner. Avoid using violence. Be honest and direct whenever possible. Recruit help if necessary but keep yourself safe.
- Remember, if you perceive someone to be in presence of immediate harm, do not hesitate to call 9-1-1

SEX OFFENDER REGISTRATION

In accordance to the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Education Rights and Privacy Act of 1974, public information regarding sex offenders in California may be obtained by viewing the Department of Justice Online Megan's Law website, at: <http://www.meganslaw.ca.gov>.

Sex offenders are required to register and provide notice of each institution of higher education in the state at which the person is employed, carries a vocation, or is a student. Registry information shall be used for the purposes of the administration of criminal justice, screening of current or prospective employees, volunteers or otherwise for the protection of the public in general and children. Unlawful use of the information for purposes of intimidating or harassing another is prohibited. VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT OF 2013 (VAWA) On March 7th, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013 (VAWA). The law amended the Clery Act and required schools to provide students and employees the procedures to follow once an incident of domestic violence, dating violence and/or stalking has been reported.

HLPAE includes statistics on the VAWA crimes in their Annual Security Report. A student or employee who reports to HLPAE that the student or employee has been a victim of domestic violence, dating violence, sexual assault or stalking, whether the offense occurred on or off campus, has rights and options as described in the Domestic Violence, Dating Violence and Stalking Policy. For more information, please see the Violence Against Women Reauthorization Act of 2013: <https://www.gpo.gov/fdsys/pkg/BILLS-113s47enr/pdf/BILLS-113s47enr.pdf>

Sexual Assault - Defined as any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity or because of this/her youth. Sexual assault includes, but is not limited to rape, forcible sodomy, penetration with a foreign object, sexual battery or the threat of sexual assault.

Consent in reference to sexual activity - Defined as a voluntary, sober, imaginative, enthusiastic, creative, wanted, informed, mutual, honest, and verbal agreement. It is an active agreement, not a passive nod of the head or a smile. Consent cannot be coerced, is never implied, and cannot be assumed, even in the context of a relationship. Just because one is in a relationship does not mean that person has permission to have sex with a partner.

Domestic Violence - Defined as a felony or misdemeanor crime(s) of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse or the victim under the domestic family violence laws where the violence occurred, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of California.

Dating Violence - Defined as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship may be determined by the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship.

Stalking - Defined by the VAWA Amendment as engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or to suffer substantial emotional distress.

Domestic violence, dating violence or stalking by an employee or student is prohibited and will not be tolerated by Hacienda La Puente Adult Education (HLP AE). If a student or an employee is alleged to be the victim or perpetrator of domestic violence, dating violence or stalking, a school administrator will promptly investigate all allegations of these alleged crimes and take appropriate action as required. **Rights to Confidentiality**

The name or identity of a victim of domestic violence, dating violence, sexual assault or stalking crime will be kept confidential upon request of the victim, per Penal Code Section 293 and Government Code Section 6254 (f). To protect the privacy of the individuals involved, the school will not release names without the consent of those involved, unless the release is essential to the health and safety of the victim, or the campus community, or in the fulfillment of the legal obligations of the school. **What to do if you are a victim of domestic violence, dating violence, or stalking**

If you are a victim of domestic violence, dating violence, or stalking your priority should be to get to a place of safety. If necessary, you should then obtain necessary medical treatment or forensic examination. HLP AE strongly advocates that a victim of sexual assault, domestic violence, dating violence, or stalking report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. The alleged offense should be reported to the CTE Director, Financial Aid Program Administrator, Administrative Counselor or designee, in writing, especially for crimes committed on or near the campus.

In addition, victims should report directly to the Industry Sheriff's Department 911 or (626) 330-3322 to obtain information regarding having a forensic examination. Reporting is at the victim's discretion. The CTE Director, Financial Aid Program Administrator, Administrative Counselor and/or administrative designee can assist the employee or student in notifying authorities, if requested.

Filing a sheriff's report with the Industry Sheriff's Department will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers.

Filing a sheriff's report will: • Ensure that a victim of domestic violence, dating violence, or stalking receives the necessary medical treatment; and • Provide opportunity for the collection of evidence as it may be necessary to the proof of criminal or institutional conduct proceeding arising from the report of domestic violence, dating violence or stalking or in obtaining a protection order. Hacienda La Puente Adult Education does not provide on-campus or off-campus professional counseling services. However, HLP AE can refer the victim to a non-related, outside counseling service such as a local domestic violence agency. Such agencies can provide mental health, victim advocacy, legal assistance, visa and immigration services, and other services for victims. Employees of HLP USD can contact the Department of Human Resources for assistance with resources. **Disciplinary Action for Domestic Violence, Dating Violence and Stalking**

The victim of domestic violence, dating violence or stalking may decide to pursue an investigation through the criminal justice system, Hacienda La Puente Adult Education, or only the latter. To initiate disciplinary action against a student or employee, by contacting HLP AE CTE Director, Financial Aid Program Administrator, Administrative Counselor or administrative designee.

The following disciplinary procedures (steps) will be conducted in cases of an alleged domestic violence, dating violence or stalking that occur when the alleged is an employee or student: 1. HLP AE will delegate a representative to provide a prompt, fair and impartial investigation of the specific facts in the case, interview the accuser and accused, and any

witnesses. 2. HLP AE administrators, in conjunction with trained representatives, will have received annual training on the issues related to domestic violence, dating violence and stalking and how to investigate that protects the safety of victims and promotes accountability. 3. HLP AE will conduct a meeting during which the accuser and the accused are entitled to participate and can be accompanied to any related meeting by the advisor of their choice. 4. Both the accuser and the accused will be simultaneously informed in writing of the school's determination with respect to the alleged domestic violence, dating violence and/or stalking offense and any sanction that is imposed against the accused. 5. The accused and/or the victim have a right to appeal the results of the disciplinary proceedings. The appeal must be made in writing to the CTE Director and must address the specific concern or concern that he or she is not in agreement with. If an appeal is received, all the documentation, evidence and reports will be reviewed by the legal counsel. 6. HLP AE will consult with the HLP USD legal counsel and notify the accuser and accused. A final determination will be made and will not be appealable. Compliance with these provisions does not constitute a violation of Section 444 of the General Education Provisions Act (20 U.P.S.C. 1232g) commonly known as the Family Educational Rights and Privacy Act of 1974 (FERPA).

Disciplinary Proceedings/Standard of Evidence

HLP AE is committed to providing a fair and impartial process for a disciplinary proceeding of reported domestic violence, dating violence, sexual assault or stalking. The standard of evidence used during the disciplinary process will be a preponderance of evidence. This definition is the same as is used in most civil courts and is not the standard of beyond a reasonable doubt. The preponderance of evidence means that the offence "more likely than not" occurred. The proceedings are conducted by HLP USD officials, who receive annual training, related to domestic violence, dating violence, sexual assault, and stalking, including training that protects the safety of victims and promotes accountability.

Sanctions: Student: If a student is found guilty of committing an act of domestic violence, dating violence, sexual assault or stalking, they will be dismissed from school. Employee: If a determination is made that an employee is guilty of committing an act of domestic violence, dating violence, sexual assault or stalking, the district may take disciplinary action, including suspension and dismissal, in accordance with law, board policy, administrative regulations and/or collective bargaining agreements. The Superintendent or designee shall seek legal counsel in connection with either the suspension or dismissal of the employee. Reasonable Accommodations for Victims

If requested by the victim, and if such accommodations are reasonably available, victims of domestic violence, dating violence or stalking may have an option to change their academic, living, transportation, and working situations regardless of whether the victim chooses to report the crime to local law enforcement. In addition, HLP AE and HLP USD will make reasonable accommodations to assist victims with schedule and/or academic changes if an order of protection, order of no contact, restraining order or similar lawful order is issued by a criminal, civil or tribal court.

Prevention Programs

HLP AE maintains literature and other information to educate students and employees about the prevention and awareness of domestic violence, dating violence, sexual assault, and stalking in the Administrative Office and Financial Aid Office. In addition, HLP AE has a list of resources available locally that can provide counseling and additional referral information.

Federal Legal Sanctions - continued 21 U.S.C. 853a Denial of Federal benefits, such as student loans, grants, contracts, and professional and commercial licenses, up to one year for first offense, up to five years for second and subsequent offenses. 18 U.S.C. 922(g). Ineligible to receive or purchase a firearm. Classification/Drug Scheduling Directly obtained from the U.S. Drug Enforcement Administration (<https://www.dea.gov/druginfo/ds/shtml>) is provided below: Drug Scheduling Drugs, substances, and certain chemicals used to make drugs are classified into five (5) distinct categories or schedules depending upon the drug's acceptable medical use and the drug's abuse or dependency potential. The abuse rate is a determinate factor in the scheduling of the drug; for example, Schedule I drugs have a high potential for abuse and the potential to create severe psychological and/or physical dependence. As the drug schedule changes-- Schedule II, Schedule III, etc., so does the abuse potential-- Schedule V drugs represents the least potential for abuse. A Listing of drugs and their schedule are located at Controlled Substance Act (CSA) Scheduling or CSA Scheduling by Alphabetical Order. These lists describe the basic or parent chemical and do not necessarily describe the salts, isomers and salts of isomers, esters, ethers and derivatives which may also be classified as controlled substances. These lists are intended as general references and are not comprehensive listings of all controlled substances.

Please note that a substance need not be listed as a controlled substance to be treated as a Schedule I substance for criminal prosecution. A controlled substance analogue is a substance which is intended for human consumption and is structurally or pharmacologically substantially similar to or is represented as being similar to a Schedule I or Schedule II substance and is not an approved medication in the United States. (See 21 U.S.C. §802(32)(A) for the definition of a controlled substance analogue and 21 U.S.C. §813 for the schedule.)

Hacienda La Puente Adult Education – and Hacienda La Puente Unified School District recognizes and enforces all federal and state laws, and local ordinances

Classification/Drug Scheduling - continued Schedule I drugs, substances, or chemicals are defined as drugs with no currently accepted medical use and a high potential for abuse. Some examples of Schedule I drugs are: heroin, lysergic acid diethylamide (LSD), marijuana (cannabis), 3,4methylenedioxymethamphetamine (ecstasy), methaqualone, and peyote

Schedule II drugs, substances, or chemicals are defined as drugs with a high potential for abuse, with use potentially leading to severe psychological or physical dependence. These drugs are also considered dangerous. Some examples of Schedule II drugs are: Combination products with less than 15 milligrams of hydrocodone per dosage unit (Vicodin), cocaine, methamphetamine, methadone, hydromorphone (Dilaudid), meperidine (Demerol), oxycodone (OxyContin), fentanyl, Dexedrine, Adderall, and Ritalin

Schedule III drugs, substances, or chemicals are defined as drugs with a moderate to low potential for physical and psychological dependence. Schedule III drugs abuse potential is less than Schedule I and Schedule II drugs but more than Schedule IV. Some examples of Schedule III drugs are: Products containing less than 90 milligrams of codeine per dosage unit (Tylenol with codeine), ketamine, anabolic steroids, testosterone

Schedule IV drugs, substances, or chemicals are defined as drugs with a low potential for abuse and low risk of dependence. Some examples of Schedule IV drugs are: Xanax, Soma, Darvon, Darvocet, Valium, Ativan, Talwin, Ambien, Tramadol

Schedule V drugs, substances, or chemicals are defined as drugs with lower potential for abuse than Schedule IV and consist of preparations containing limited quantities of certain narcotics. Schedule V drugs are generally used for antidiarrheal, antitussive, and analgesic purposes. Some examples of Schedule V drugs are: cough preparations with less than 200 milligrams of codeine or per 100 milliliters (Robitussin AC), Lomotil, Motofen, Lyrica, Parepectolin

Legal Sanctions State

Hacienda La Puente Adult Education and Hacienda La Puente Unified School District recognizes and enforces all federal and state laws, and local ordinances

State Legal Sanctions: The State of California has its own set of laws regulating the unlawful possession, use, or distribution of a controlled substance. Penalties may include mandatory prison terms. Penalties under California Health and Safety Code Sections 11351-113479 et. seq. (Uniform Controlled Substances Act) are as follows:

- Transport, import, transfer, or sale of controlled substances may result in felony sentencing of 3 to 5 years. Transport from one California County to a non-contiguous county can result in an increased sentence of 3 to 9 years of imprisonment.
- Crimes involving the hiring or employment of minors to sell or distribute controlled substances, or the sale of controlled substances to minors, can result in sentences of 3, 6, or 9 years in state prison.
- California law allows adults 21 and older to transport less than 28.5 grams (or less than 8 g marijuana concentrate).
- California law also criminalizes the transport, import, transfer, or sale of chemicals used as ingredients for the manufacture of phencyclidine (PCP) and methamphetamine, or the transport, import, transfer, or sale of the drugs themselves. Conviction may result in sentences of imprisonment lasting sixteen months to six years California State Law also allows for the seeking of increased punishments if the defendant has prior committed offenses.

California State Law also allows for the enhancement of sentencing when drug-related offenses occur within 1,000 feet of schools, school-related programs, or playgrounds during operational hours. This increased sentencing may result in an additional one to two years in prison. Furthermore, if the alleged offender is at least four year older than an involved minor, a separate and additional one – three year prison term by be applied.

(b) Among circumstances that may be considered in determining whether a person loiters and manifests the intent to engage in drug-related activity are: (1) The person enters and remains on any public or private property or thoroughfare under such circumstances that a reasonable person will conclude that the person who has entered and remained on said premises: (i) does not have a purpose legitimately connected with the business or activity of the legal occupant on or near the premises; (ii) does not have a bona fide intent to exercise a constitutional right; and (iii) does manifest the purpose of engaging in drug related activities defined as offenses in Chapter 6 and 6.5 of Division 10 of the Health & Safety Code. (b) No person shall have in his or her possession within any public place or business in the City, or on the grounds of any public or private park, recreation area, open space, or in the public parking, loading, access and areas accessible to the public, or private or commercial property which is open and accessible to the public, any instrument used to administer or ingest any intoxicating or controlled substance, including marijuana pipes or similar smoking devices, and including drug paraphernalia as defined in Health and Safety Code Section 11014.5.

Financial Aid Consequences

Disqualification Students with a federal or state drug conviction are disqualified for federal financial aid. FAFSA Question 23c (prior drug convictions) addresses aid eligibility when a student has a conviction for an offense that occurred during a period enrollment for which the student was receiving federal student aid. Only then will the conviction count towards disqualification. The conviction will not count if the offense occurred outside of the period of enrollment for which the student was receiving federal student aid. However, a federal or state judge may overrule this exception. If the student was a juvenile, and not tried as an adult, when committed a conviction, it will not count. Additionally, a conviction will not count if it was reversed, set aside or reversed

Notification of Convictions Federal law requires educational institutions to report to the U.S. Department of Education any recipient of federal financial aid who is convicted of a drug-related crime on school property or at school-related activities. (Part 86 – Drug-Free School and Campuses, Subpart A – General, Section 86.3)

Period of Ineligibility Periods of federal financial aid ineligibility vary on whether the conviction was for possession or sale of illegal drugs, and on the number of previous offenses (if any). Conspiring to sell drugs convictions are included with sale of illegal drugs convictions. If student is convicted for both possession and sale of illegal drugs, the longer period of ineligibility will be enforced. Following information specifies time period of ineligibility: Possession of Illegal Drugs First offense: one year from date of conviction. Second offense: two years from date of conviction. Third offense: indefinite Sale of Illegal Drugs First offense: two years from date of conviction. Second offense: indefinite. Third offense: indefinite

Reestablishing Eligibility As directly obtained from 2018-2019 Federal Student Aid Handbook provided by the U.S. Department of Education (Volume 1 – Student Eligibility pg. 1-22): A student regains eligibility the day after the period of ineligibility ends (i.e., for a 1st or 2nd offense); or when he or she successfully completes a qualified drug rehabilitation program that includes passing two unannounced drug tests given by such a program. Further drug convictions will make him ineligible again. Students denied eligibility for an indefinite period can regain eligibility after completing any of the following options: 1) Successfully completing a rehabilitation program, as described below, which includes passing two unannounced drug tests from such a program); 2) Having the conviction reversed, set aside, or removed from the student's record so that fewer than two convictions for sale or three convictions for possession remain on the record; or 3) Successfully completing two unannounced drug tests which are part of a rehab program (the student does not need to complete the rest of the program).

In such cases, the nature and dates of the remaining convictions will determine when the student regains eligibility. It is the student's responsibility to certify to you that she has successfully completed the rehabilitation program; as with the conviction question on the FAFSA, when a student regains eligibility during the award year, [the student] may [receive federal financial aid] for the period of enrollment.
