Parkland Community Library wants to hear from local families! We are gathering feedback about our programs for children, tweens, teens, and families to learn what our community wants to see at the library. Whether your family attends library programs regularly, occasionally, or has never attended, your feedback is valuable to us.

Take our short survey and help us learn more about the types of programs you're interested in, the days and times that work best for your family, and how we can better connect you with upcoming opportunities at the library.
