REQ- Required | ELE - Elective

⁽¹⁾ Selecting an Early Bird (EB) course does not guarantee placement in one due to scheduling or availability constraints. EB courses begin at 7:00 AM, and students must arrange their own transportation to school in the morning and home after school if they select an early release (1:55 PM).

To participate in OTHS-sponsored activities, including athletics, co-curriculars and NHS, students must be enrolled in and passing at least five (5) GPA-eligible classes weekly. To remain eligible for the next semester, students must earn at least 2.5 credits (passing 5 full-credit classes) in the current semester.

I have gone over my course selections and high school plans with my school counselor and wish to enroll in the classes listed above. If I need to make a change in requests, I may do so before the first day of school in August 2027.
