Shade Structures Phase 2 Progress Update

Construction Progress Update

Report Date: 9/28/2026 **Prepared By:** Arpy Jivalagian

Reporting Period From: 9/28/2026 **To:** 10/2/2025

1 Summary of Work Completed

Shade Structures Phase 2 project has four sites Sierra Madre Elementary (SME), Jackson Elementary, Webster Elementary, and Willard Elementary. Construction continued this week at Sierra Madre and Willard Elementary. Planning for the shade and playground improvements continued at Jackson.

- At Sierra Madre, excavation for the lunch area shade structure footings was completed, posts were installed, and concrete was poured for the footings.
- At Willard, shade fabric installation and playground surfacing work were completed. Preparations continued for installation of the replacement play structure components.

Description: Footing excavation, post installation, and concrete placement for the lunch area shade structure at Sierra Madre Elementary.

Description: Shade structure assembly at Willard Elementary.

3 Construction Alerts

Description:

Shade structure and playground improvements continue at Sierra Madre and Willard Elementary.

Site Impact:

The playgrounds are both closed off with temporary fencing as work is ongoing.

4 Upcoming Work

- Sierra Madre Elementary: Continue shade structure assembly after the concrete footings have cured.
- Willard Elementary: Install replacement play structure components.

5 Notes and Comments

Thank you for your continued cooperation and patience as these improvements continue.
