¹ To maintain a GCU-funded institutional scholarship each year, students must meet scholarship eligibility requirements. GCU-funded academic scholarships are renewable annually and can be locked in for up to four years for most programs.

² Housing award amounts are based on the date you secure your housing room assignment. Award will be applied to your tuition and fees. Any excess will be applied to housing. This scholarship is renewable for up to eight semesters as long as you maintain award eligibility and remain admissible with GCU.

³ The Chancellor Award scholarship level requires an unweighted GPA for eligibility.

⁴ If the student is admitted based on ACT or SAT, they will need a minimum unweighted high school GPA of 2.5 to be awarded the scholarship.

⁵ If the students test date was before March 1, 2016, please find more information on requirements at gcu.edu/CampusScholarships. Review institutional aid limits (CAPs) in the "Institutional Aid" section of the University Policy Handbook.
