RE: Approval of the Fiscal Year 2026-2027 Adopted Budget

Recommendation

Administration recommends approval of the Fiscal Year 2026-2027 Adopted Budget as summarized below.

The proposed budget is based on the best information available as of June 2026. The FY2025 audit has not yet been completed, and FY2026 financial activity remains subject to year-end closing entries and adjustments. Budget projections, revenue estimates, and fund balance estimates are based on projected enrollment, current state funding assumptions, and other information available at this time. These estimates may be revised following completion of the FY2025 audit and finalization of FY2026 year-end financial results and brought back to the School Board as necessary.
