Timeline for ESSA Equitable Services Expenditures

Reminders:

*** May 1, 2027 is the deadline for material requests to be submitted.**

*** June 30, 2027 is the deadline for all professional development requests to be submitted.**

*** Direct services to identified students should be the primary component of your Title I Program, and should be your primary expenditure. Supply/Material orders may not be approved until after the direct services component of your program is in place.**
