Sherre Vernon, Coordinator
Come Back Charter School
350 W Yosemite Ave.
Merced, California 95348

Dear Sherre Vernon:

Based on the Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC) mid-cycle report, it has been determined that Come Back Charter School (9-12) meets the ACS WASC criteria for accreditation. This accreditation status is based on all of the information provided by the school, including the school's progress report.

Come Back Charter School's accreditation is now reaffirmed through the end of the current accreditation cycle ending on June 30, 2030.

Accreditation status is conditioned upon Come Back Charter School's continued adherence with the ACS WASC policies, procedures, and criteria for accreditation. This includes a requirement that an accredited school annually contribute members to participate on visiting committees. Failure to maintain compliance with said policies, procedures, and standards is grounds for modification and/or withdrawal of the accreditation.

The Commission looks forward to Come Back Charter School's anticipated success and continuing improvement in keeping with ACS WASC's pursuit of excellence in elementary, secondary, and adult education.

Sincerely,

Barry R. Groves, Ed.D.
President
