Contest Seeks Name for District High School

Now that District 11 voters have approved a new junior-senior high school bond issue, a contest to name the educational plant is underway, sponsored by the Crystal Bay Area Civic Association.

The "Name Your School" contest has the backing of the Long Lake Businessmen's association, Carl Lytle, school superintendent and the district 11 board of education. The winner will have a choice of a boy's or girl's bicycle, the contest prize.

All school children and district residents are eligible to compete. Ballot boxes will be placed in each school in the district or entries may be mailed to the Crystal Bay Area Civic Association.

All ballots should include the proposed school name and the name, address and phone number of the contestant. Ballot box entries will be stamped each day and in the event of ties, the earliest stamped date, or earliest postmark will decide the winner.

One judge will be appointed by each of the four Parent-Teachers associations in the district and one from the school board. The judges will screen the ballots down to three names to be submitted to the school board for final decision.

The contest closes May 26.

Set Date for Paper Drive

Groveland Cub Scouts are canvassing the area for paper to be picked up during their spring drive, Saturday, May 20.

Residents are urged to separate magazines and waste paper and tie into bundles for pick-up convenience. Bundles should be placed on the roadside for pickup Saturday morning.

Laymen Will Address

Because it was felt that the name "Independent Consolidated School District Number 11" was a bit long and lacking in individuality, and becuase it might not, for instance, fit into a school yell gracefully, several of our civic organizations sponsored jointly a "Name the School" contest. Of the more than 750 entries, four persons submitted the winning name, but only to the first person to submit that name could the prize -- a new bicycle or $40.00 in cash -- be awarded. For her suggested name, ORONO JUNIOR-SENIOR HIGH SCHOOL, **Janet Anderson of Maple Plain** received the $40.00 award plus an additional $5.00 offered by one of the school board members."
