

Adena Elementary Traffic Flow Pattern for **Arrival** of Car Riders

Right Turn ONLY
during drop-off!

Adena Elementary School
9316 Minuteman Way
West Chester, OH 45069

Arrival Procedure

All families dropping off students should enter the front parking lot **no earlier than 8:00am** to allow time for staff to park and enter the building.

Please pull as far forward as possible in the student drop-off zone. Staff members will be on duty from 8:00am – 8:15am to help direct traffic.

When signaled, students may exit vehicles. Please exit either on the passenger side of the vehicle or cross in front of your vehicle. Once all students are safely on the sidewalk, a staff member will then direct lanes to pull forward. Please note that all cars must exit to the RIGHT when leaving the parking lot to help with traffic flow.

Car riders who eat breakfast will proceed to the cafe. Those who do not eat breakfast will go to the gym. Students are dismissed to their classrooms at 8:15am. School begins at 8:20am. Students who are not in their seats at 8:20am are counted as tardy.

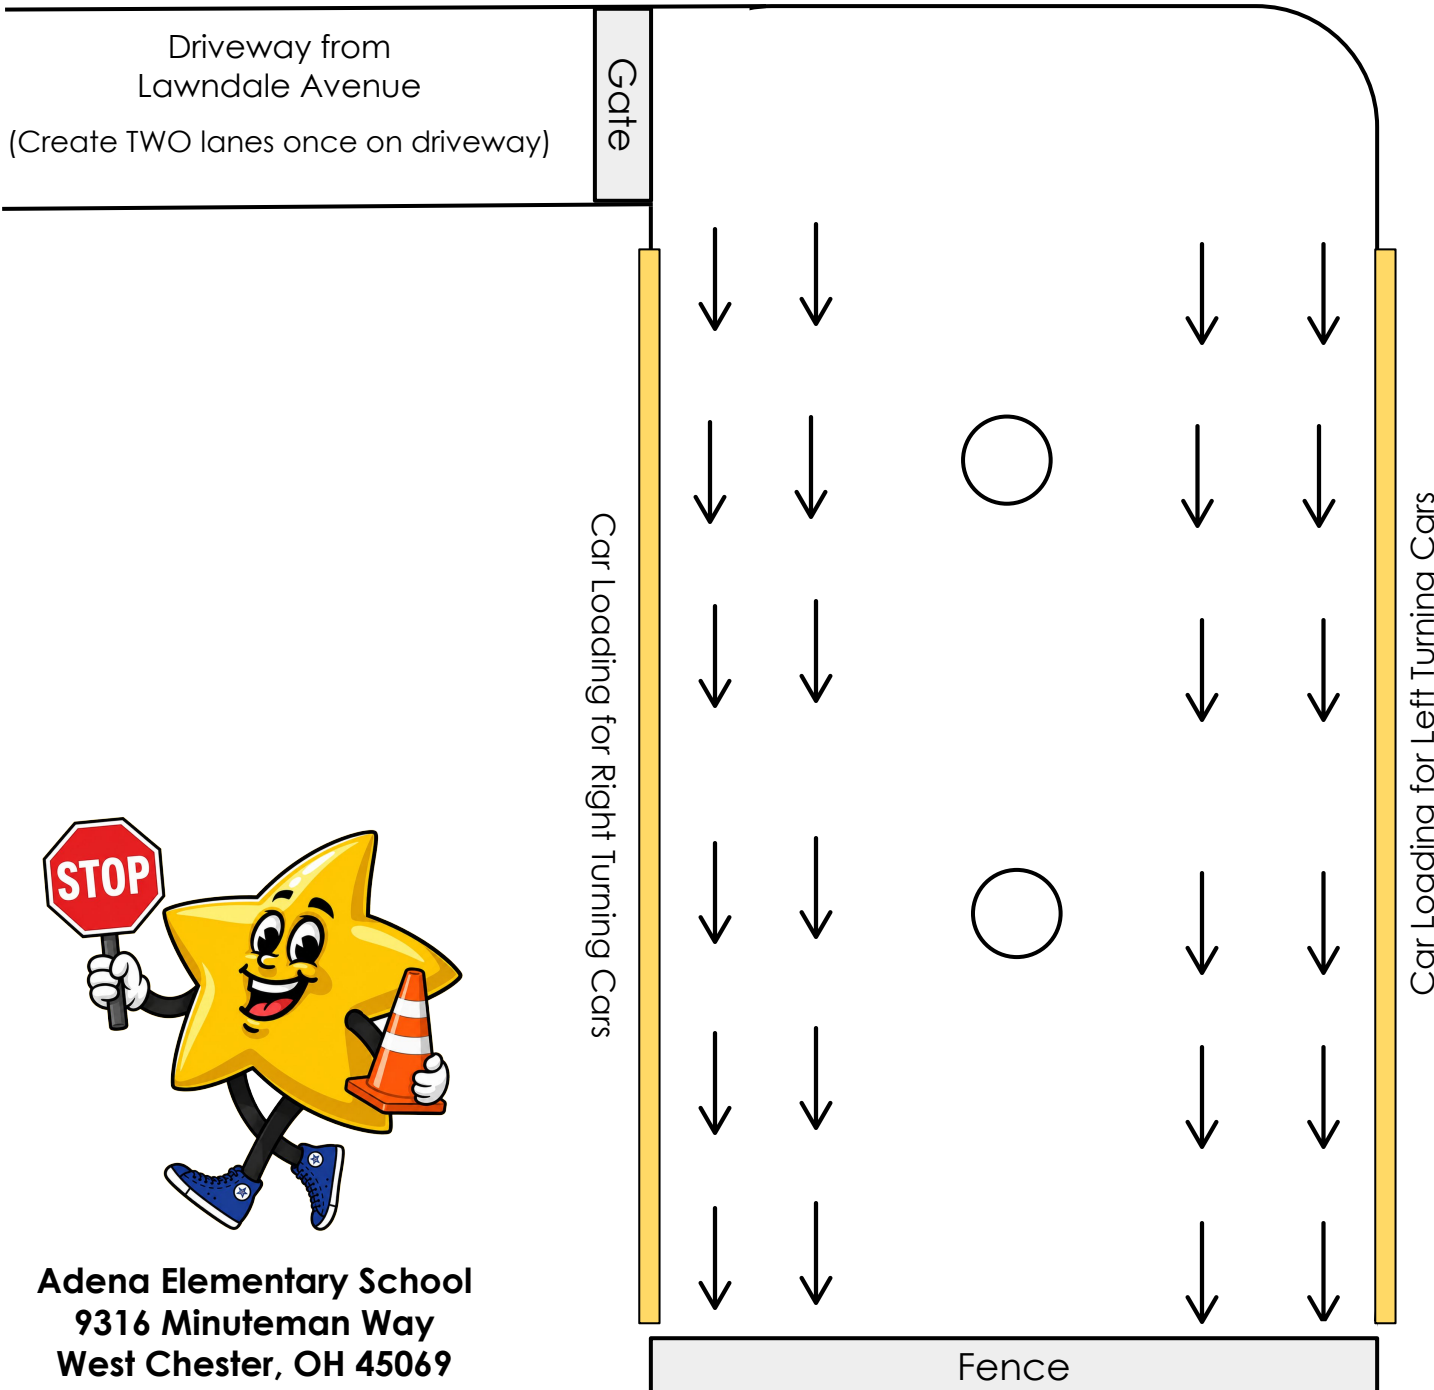

Updated Adena Traffic Flow Pattern for **Dismissal** of Car Riders

Dismissal Procedure

Dismissal for car riders is **after** all buses are safely off the lot, with a goal of 3:15pm. The student car pick-up zone is located at the back of the building on the east playground.

Cars will enter from Lawndale Avenue. **Please ensure you are not blocking the driveways of the residents of Lawndale Avenue.** Once on the driveway, cars should divide into two lanes and remain behind the gate until buses are loaded and exit from the **back of the building.**

Cars turning right onto Minuteman Way should be in the right lane and create a line adjacent to the basketball hoops. Cars turning left onto Minuteman Way should be in the left lane and line the sidewalk near the building.
