

SIC Meeting Minutes: Monday, October 5, 2026
River Bluff High School Learning Commons

In attendance:

Luciano Chen, Rebecca Feng, Hurley Johnson, Caleb Krick, Angela Albatel, Anne Morgan, Rahat Khan, Jamie Powell, Meg Huggins, Ryan Poles, Catherine Higginbotham

Minutes:

- Circle up: What is something good that happened in your world this past month?
- Mrs. Powell shared the agenda with the committee and explained the purpose and goals of the meeting tonight.
- The committee heard explanations of SIC officer roles and responsibilities and then proceeded to elect a Chair and a Secretary. The committee elected Anne Morgan as the Chair of SIC and Caleb Krick as Secretary of SIC. The officers and members will now be reported to the South Carolina SIC organization by October 16th.
- Report from the Principal
 - Mrs. Huggins shared a video with the committee about the National Fitness Campaign and their promotion around a Fitness Court. Mrs. Huggins has been in meetings with a local representative from the National Fitness Campaign to see if River Bluff can build a Fitness Court on campus. She engaged the SIC in a conversation around what that could look like and how SIC could potentially partner with the community and school to support the process.
 - Mrs. Powell shared about current happenings around RB - Hispanic Heritage Month, Junior Expedition Kickoff, Senior Impact Project (Luciano Chen shared what his CREW is doing for their Impact project), and our upcoming Rising Stars tutoring program.
- Mrs. Powell proposed to the committee in light of the school goal this year to strengthen school-family partnerships through communication and involvement, that the SIC focus on making an impact in that area and the area

of school-community partnerships this year. The committee talked about a few spaces where that could happen such as

- Supporting our International and “New to Lexington One” families with resource nights and potential “mentor” families
- Community/family facing communication such as our resource Hub and calendaring events from Counseling and Advisement such as college visit days, etc.
- Following up with the Chamber of Commerce and/or Lexington One to see if there was ever a list made of local businesses that offer internships for students
- The committee agreed to continue to think about areas of need when it comes to the buckets of parent/school and community/school partnerships; we agreed to ask our networks of people for feedback and input so that when we come together in November we can make some decisions on what exact impact we want to have for the year
- We also discussed that next month we will have SC Report Card data to look at together and will do that then
- Meeting was dismissed - we will meet again on Monday, November 9th at 6:00 PM in the RBHS Learning Commons
